**Financial Aid:** Students who need assistance with their summer quarter may apply for financial aid. Some WWU grant dollars may be available. Loans may be available such as Federal Direct Loans, Nursing Student Loans, and other institutional loans through Walla Walla University.

**Financial Aid Deadline:** The 2011-12 Free Application for Federal Student Aid (FAFSA) for the summer term should be submitted by April 1, 2012. Walla Walla University's Financial Aid Application (FAA) should be at WWU's Student Financial Services office by April 1, too, in order for the financial aid to be awarded by registration time. Only aid that has already been awarded by registration time may be deducted from the estimated costs. Students who submit applications, corrections, or other required information less than 2 weeks before the start of classes may encounter delays at registration unless they can cover the quarter's expenses without financial aid assistance. The WWU Financial Aid Application (FAA) should be sent directly to WWU. The FAFSA is online at [fafsa.ed.gov](http://fafsa.ed.gov). The FAA is online at [sfs.wallawalla.edu/application](http://sfs.wallawalla.edu/application). **Note: This FAFSA and WWU FAA are different than the ones needed for fall quarter aid. Fall's applications for the 2012-13 school year are due by April 30, 2012 for maximum financial aid consideration.**

**Deposit:** A \$300 non-refundable deposit is due by April 30 for all accepted students to hold their place in the nursing program. This deposit will be applied against the summer tuition charges when the student enrolls. Students accepted after April 30 should make this deposit when their acceptance letter is received. The check should be payable to Walla Walla University and sent to the Accounting Office at the above address. Include the student name and social security number to insure proper credit.

**Payment Plans:**

1. Regular Payment Plan: Payment in full (plus any previous balance) will be due on the day of registration. Awarded financial aid may be deducted from the estimated cost.
2. Monthly Payment Plan: The quarter's expenses, less any awarded financial aid, are divided into three equal payments. The first payment, plus any previous balance, is due prior to registration. The second and third payments are due the following months on the 25<sup>th</sup> of each month. Finance charges will accrue on the unpaid balance. This payment plan is available only for US and Canadian residents. All other student must use the Regular Payment Plan.

**Note:** Students who are on the waiting list or waiting for a letter of acceptance should still complete the financial aid applications. Awarding of financial aid does not constitute acceptance into Walla Walla University. However, if a student moves off the waiting list at the last moment, it is in the student's interest to have the financial aid applications completed.

**Files:** Please note that all Admissions and Financial Aid Files (for Portland Campus students) are kept on the main campus in College Place, WA.
