**Job Title:** Full-time Tenure-track Faculty Position in Chemistry  

**Classification:** Salary  

**Department/School:** Department of Chemistry  

**Salary:** Commensurate with experience  

**Available:** September 1, 2019  

**Description:** Walla Walla University’s Department of Chemistry seeks applicants for a full-time tenure-track faculty position beginning September 1, 2019. Teaching responsibilities would include physical chemistry, general chemistry, and relevant upper division courses. In addition to teaching responsibilities it is expected the candidate would participate in academic advisement of students. There is potential for the candidate to be department chair. The position will remain open until filled.

**Qualifications:** Applicant should hold an advanced degree in chemistry or closely related field with the ability to teach physical chemistry. Candidates with a doctorate will be given preference.

**Apply:** Prospective candidates interested in the position are asked to submit an online faculty employment application that includes a cover letter, curriculum vitae, statement of teaching philosophy, and references.

Walla Walla University is a Seventh-day Adventist comprehensive institution and is a religiously qualified equal opportunity employer; faculty and staff are recruited with attention to their active membership in the Seventh-day Adventist Church.
