**Description:**
Walla Walla University’s School of Nursing seeks applications for a part-time Open Skills Lab Coordinator. This instructor will work with junior and senior level faculty to coordinate skills lab skills activities throughout the fall, winter and spring quarters. Each week a group of skills is offered. Some courses require attendance at a certain number of open skills labs. Typical skills practiced include IV starts, IV management, wound care, NG Tube/G-tube management, and medication administration. This position requires a person with the ability to multi-task and assist a variety of students at one time. Open skills labs are typically on Tuesdays for about 5-6 hours (depending on the quarter) during 7-8 weeks each quarter.

**Qualifications:**
- Bachelor’s Degree in Nursing required, MSN preferred
- At least 3 years of nursing experience
- Teaching experience preferred
- Excellent clinical skills in the areas taught
- Must have RN licensure in OR and WA by fall of 2019
- Good communication skills
- Able to work with students individually and in small groups
- Well organized with an air of confidence
- Able to work with all types of learners

**Apply:**
Prospective candidates interested in the position are asked to submit the [online faculty application](#) which will request that a resume be attached.
