**Job Title:** Lead Instructor for Nursing of the Acutely Ill Adult (Medical/Surgical Nursing) – Portland, Oregon Campus  

**Classification:** Full-time Tenure-track Position  

**Department/School:** School of Nursing  

**Salary:** Commensurate with education and teaching experience  

**Available:** Fall 2020  

**Description:** Walla Walla University’s School of Nursing seeks applications for a tenure track position with the primary role as lead instructor for the course “Nursing of the Acutely Ill Adult” (Medical-Surgical Nursing). This junior level course teaches care for adult patients in an acute care setting. At this time, clinical labs are taught at Adventist Health Portland next to the School of Nursing on the Portland campus. Students care for patients in the areas of medical, surgical, orthopedics and telemetry etc. Students also rotate through clinical experience in the GI lab, OR and short stay (IV skills). Students are supervised in the clinical setting with a teacher in the facility at all times. This lead faculty member is responsible for teaching all class material (4 hours/week), supervising one lab group of 8 students for 16+ hours/week, supervision of two part-time clinical instructors who teach other lab groups and coordination of all schedules and post-conference activities. Classes are on Mondays and Tuesdays and lab days are Wednesdays, Thursdays and Fridays (rotating). The successful candidate will be a dedicated Seventh-day Adventist Christian committed to integrating their faith with teaching and scholarship.  

Other responsibilities:  
- Share responsibility for teaching an elective course entitled: Interpreting Lab Values.  
- Teaching a sophomore level summer course (Fundamentals of Nursing) every other summer.  
- Various Committee memberships within the School of Nursing.  

**Qualifications:** Master’s Degree in Nursing (MSN in progress may be considered)  
Earned doctorate or current enrollment in a doctoral program strongly preferred  
Extensive knowledge of medical-surgical nursing  
At least 3-5 years of full-time nursing experience an acute care setting  
Teaching experience preferred  
Must have RN licensure in OR and WA by the beginning of the school year  
Good communication skills  
Able to work with students individually and in small groups  
Well organized with an air of confidence  
Able to work independently and coordinate the activities of others  
Adaptability to changing health care system  
Able to work with all types of learners  

**Apply:** Prospective candidates interested in the position are asked to submit the online faculty application which will request that a resume be attached.  

**Questions:** School of Nursing: 509-527-2145 (Direct office line)
