Centro Universitario Adventista
Portuguese - Brazil

Walla Walla University is a member of the Adventist Colleges Abroad consortium. Foreign language majors who have not had residence in a country in which their language is spoken are required to spend their sophomore or junior year abroad. Academic credit will be granted as listed below for these studies so that a student may be able to complete a full college year abroad. Prospective ACA students must have an overall cumulative GPA of 2.5; and completion of ENGL 121, 122, and a general studies math course. Applicants should consult with their major professors, the modern language department, and the Registrar prior to enrollment.

A minor in Portuguese is offered through the Adventist Colleges Abroad affiliate program. Students must complete 28 quarter hours beyond the 100 level; 8 quarter hours must be upper-division. Approval of the academic advisor required

Note: Without prior language experience, students should plan to spend an entire school year in residence at the ACA school to develop proficiency in the chosen language. All course work for a minor in these languages must be completed while in residence at the ACA school. See the ACA advisor for more information.

Check the ACA bulletin for course descriptions and prerequisites.

*Courses will be evaluated based on content rather than course prefix
Courses with an S in front of the 3 digit number are offered only in the summer.
