Portuguese - Brazil

Walla Walla University is a member of the Adventist Colleges Abroad consortium. Academic credit will be granted as listed below for these studies so that a student may be able to complete a full college year abroad. Prospective ACA students must have an overall cumulative GPA of 2.5; and completion of ENGL 121, 122, and a general studies math course. Applicants should consult with their major professors, the modern language department, and the Registrar prior to enrollment.

All BA students are required to complete a foreign language sequence of 12 quarter hours at the elementary level or 8 quarter hours at the intermediate level. A maximum of 9 credits may be earned in the summer program. Therefore, students will not be able to complete the general studies language requirement with summer enrollment.

A minor in Portuguese is offered through the Adventist Colleges Abroad affiliate program. Students must complete 28 quarter hours beyond the 100 level; 8 quarter hours must be upper-division. Approval of the academic advisor required.

Note: Without prior language experience, students should plan to spend an entire school year in residence at the ACA school to develop proficiency in the chosen language. All course work for a minor in these languages must be completed while in residence at the ACA school. See the ACA advisor for more information.

Check the ACA bulletin for course descriptions and prerequisites.

Courses will be evaluated based on content rather than course prefix.

Courses that will apply toward other requirements at WWU:
