Equal Opportunity Commitment
It is the policy of Walla Walla University to provide equal educational opportunity without regard to age, race, color, religion, national origin, sex, marital status, disability or other protected classes as required by local, state, and federal laws that apply to the University. In addition, the University provides equal employment opportunity without regard to age, race, color, national origin, sex, marital status, disability or other protected classes as required by local, state, and federal laws that apply to the University.

STUDENT FINANCIAL SERVICES

Members of the Student Financial Services staff work with parents, students, federal and state governments, the university, and others to make financial arrangements for students to receive an education at Walla Walla University. Students and parents are encouraged to phone, write, or stop by the office for answers to questions about financing a college education.

FINANCIAL COUNSELORS provide help in financial planning. They are responsible for approving all financial arrangements and are available to discuss problems if parents or students have difficulty meeting the terms of the payment plan the family has chosen.

FINANCIAL AID COUNSELORS assist with the completion of financial aid applications and with the administration of scholarship programs.

STUDENT EMPLOYMENT assists students in looking for work both on and off campus. Employment personnel neither hires students nor assigns them to particular jobs, but works with students individually to assist them in their employment search.

STUDENT LOAN CENTER assists current students with completing student loan applications and loan promissory notes and obtaining additional loans to finance educational expenses; also works with borrowers in repayment on Federal Perkins, Nursing, or Institutional Loans.

EXPENSES

This section of the bulletin is designed to help parents and students anticipate the costs connected with receiving a Walla Walla University education. This list identifies many of the expenses a student may incur, but it is not exhaustive. Students will have additional expenses for transportation, personal needs, and other necessities and extras not mentioned here. Parents and students will want to consider such expenses when making plans to cover the total university costs.

TUITION AND REQUIRED FEES

**Undergraduate Student Tuition**

- 1-11 quarter hours: $755 per quarter hour
- 12-16 quarter hours: $9,040 per quarter
- More than 16 quarter hours: $600 per additional quarter hour

**Audit Tuition**

$378 per quarter hour

Undergraduate students are charged for audited hours above or below bracket tuition. Graduate students are charged for all audited credits. Class fees are charged on audited classes. See the Undergraduate Bulletin for restrictions on audited classes.

Students with a Walla Walla University cumulative GPA of at least 3.00 who are taking at least 12 hours of non-audited classes pay $10 for each audited course instead of the "per quarter hour" charge. This fee is non-refundable after the fourth day of the quarter. Students in their first quarter at WWU are not eligible for this option because they do not have a WWU cumulative GPA.
TUITION AND REQUIRED FEES

Student Missionary Tuition $15 for 12 credits per quarter

Participants in the Student Missionary and Task Force programs are registered as full-time students in the Experiential Program, SMTF 100, provided they meet the Student Missions Office’s eligibility criteria and receive financial clearance from Student Financial Services. Registration cannot be retroactive. Contact the Student Missions Office for more information.

Graduate Student Tuition $615 per quarter hour

Extension Tuition $412 per quarter hour

Graduate students who meet one of the following categories are eligible for one-third off the regular graduate tuition rate. Acceptance into the graduate Education Program is required. Students are not eligible for WWU grants and scholarships, but may apply for Federal Direct Student Loans. The balance of the tuition not covered by awarded loans must be paid by the financial clearance deadline (no payment plan).

1. Full-time teachers employed within driving distance of WWU. A copy of the school district's contract is required.
2. Full-time denominationally employed teachers (other than NPUC teachers) taking the Special Education Concentration graduate program.
3. Students taking the Special Education Concentration program during the 2018-19 school year.

Senior Citizen Discounted Tuition

The Senior Citizen Class Program (non-degree seeking) makes it possible for students who are 65 or more years of age to take advantage of the following reduced tuition rates. Class or lab fees are the responsibility of the student.

To take up to a 4 hour class for credit one half the regular tuition rate $100 per quarter
To sit in on a class* $100 per quarter

* Permission of the instructor is required.

General Fee--Undergraduate $305 per quarter

All tuition paying undergraduate students registered for 6 or more hours are required to pay this fee. Taskforce, Student Missionaries and ACA students will be exempt. Besides covering the cost of housing club dues, internet access while on campus, printing the first 100 pages in computer labs, access to the library, gym, and pool, and new technology for classrooms, etc., the General Fee includes the ASWWU dues which provides for student publications and membership in the Associated Students of Walla Walla University (ASWWU).

Students who are charged the General Fee for less than three quarters will need to pay an additional fee if they wish to receive the yearbook. Students who are exempt from paying the General Fee may purchase publications for prices set by the ASWWU editors.

General Fee--Graduate $55 per quarter

All tuition paying graduate students registered for 4 or more hours are required to pay this fee. This fee covers internet access while on campus, new technology for classrooms, graduation fee, etc. Students on the College Place campus also receive
access to the library, gym and pool, and printing the first 100 pages in the computer labs.

Since the General Fee for graduate students does not include ASWWU dues, graduate students wanting campus publications such as the Mask and the yearbook may purchase these publications for prices set by the ASWWU editors.

**HOUSING COSTS**

**Residence Hall Housing**

**ROOM CHARGES ON THE COLLEGE PLACE CAMPUS**

Rent for a room with two occupants is as follows:

<table>
<thead>
<tr>
<th>Hall</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Conard Hall</td>
<td>$1,355 per person, per quarter</td>
</tr>
<tr>
<td>Foreman Hall</td>
<td>$1,425 per person, per quarter</td>
</tr>
<tr>
<td>Sittner Hall</td>
<td>$1,355 per person, per quarter</td>
</tr>
<tr>
<td>Meske Hall</td>
<td>$1,355 per person, per quarter</td>
</tr>
</tbody>
</table>

When rooms are available, single occupancy is permitted at a rate of 150 percent of regular room rate.

Upon the student's departure, charges for delayed departure, an uncleaned or damaged room, or failure to return keys may be applied to the student's account. *(For a complete listing of residence hall fines, please refer to the online Residential Life Handbook.)*

**ROOM CHARGES ON THE PORTLAND CAMPUS**

$1,635 per quarter

Rooms in Hansen Hall are usually available for single occupancy only. Should double occupancy be approved, rent would be charged at the same rate as Foreman Hall for each occupant.

**ROOM DEPOSIT - PORTLAND CAMPUS**

A $175 deposit is required to reserve a room in Hansen Hall. Upon the student's departure, a refund of up to $115 may be applied to the student's account. Charges for delayed departure, an uncleaned or damaged room, or failure to return keys are also applied. Should the student not enroll, the entire deposit is refunded.

**COMPUTER NETWORK USE ON THE COLLEGE PLACE CAMPUS**

All residence halls on the College Place campus have internet connectivity. Wifi is available in all rooms and an Ethernet connection is present in most rooms. Students are encouraged to contact the Information Technology Support if they experience connectivity issues.

**PRINTING IN PC LABS**

Students will be charged for printing in the library and general purpose PC Labs. Each student will be given $10 credit (100 free pages) each quarter in case of technical problems with printing. After that, each page will cost 10 cents. At the end of each quarter, the printing charges will be added to each student's account.
University-Owned Off-Campus Housing

Walla Walla University owns several studio, one-bedroom, and two-bedroom apartments which single students and married couples can rent. In addition, houses are available. Rent is charged in three-month increments. The first and last period's rent is prorated based on the check in and check out dates. Students not registered for the following quarter are required to vacate their residence the day after the end of the quarter or the day after graduation in June. The University requires a 30-day "move out" notice. Students not giving a 30-day notice may forfeit up to 30 days of rent.

Off-campus housing is available on a first-come, first-served basis during open application periods. Priority is given to students who have Disability Support Services approval, or are married, or are 25 years of age or older, or who have children. For waitlist application dates and instructions, visit wallawalla.edu/village.

Financial arrangements must be approved by Student Financial Services before a student may move into university housing. For more information about housing availability, students may contact the WWU Village Housing Office at 509/527-2109.

HOUSING ADMINISTRATION FEES

A Housing Administration Fee is required for all university-owned Village Housing units before the key is given to the student. This fee is non-refundable and is required anytime a student occupies a residence. The fee is charged separately to each student ($350 for a married couple or single occupancy of a two bedroom apartment.)

Fee

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Single Occupant:</td>
<td>$175/ea</td>
</tr>
<tr>
<td>Married/Family Occupant:</td>
<td>$350</td>
</tr>
<tr>
<td>Two Bedroom, Single Occupant:</td>
<td>$350</td>
</tr>
</tbody>
</table>

The Housing Administration Fee covers administrative costs. Upon vacating, students are responsible for restoring the residence to the condition it was upon move in. If there are charges for additional cleaning or damage, items left, delayed departure, or failure to return keys, these charges will be added to the student's account after moving out.

PET POLICY

Animals of any kind, except harmless fish in an aquarium (not to exceed 10-gallon capacity per residence) are prohibited. Service and assistance animals are restricted to students who have received prior accommodations for such through Disability Support Services. The presence of animals within university-owned housing poses serious health, safety, and maintenance concerns. In addition to direct damage incurred by animals, many students have allergic reactions to various animals.

CAFETERIA EXPENSES

At registration, students living in residence halls are able to select from the following buffet-style, all-you-can-eat meal plans:
Meal Plan | Meals Per Week | Cost Per Quarter
--- | --- | ---
Platinum | 19 | $1,143
Platinum Flex | 15 + $160 Flex per qtr. | $1,143
Gold | 15 | $1,060
Gold Flex | 12 + $110 Flex per qtr. | $1,060
Silver | 10 | $895
Silver Flex | 8 + $85 Flex per qtr. | $895

The Gold Flex Plan is the default meal plan, but students may change their meal plan within the first 10 days of a quarter. Meals do not carry over from week to week.

Flex dollars work like a pre-paid debit card and are extra dollars that can be used throughout the quarter in the cafeteria or Student Association Center (SAC). A student can also save them up just in case they run out of meals in their selected Plan. The SAC takes either cash or Flex dollars. Flex dollars do carry over from week to week, but not from one quarter to another. Should a student use all their Flex dollars, they are able to charge purchases to their student account.

Students will have two free meals per quarter at the Cafe that can be used when family or friends visit. Guests may pay with cash or a credit card at the time of purchase.

Student can only use one of their meals at each meal time. Additional meals at the same meal time are counted as guests.

Village students may select a meal plan or pay for purchases with their ID card, cash or a credit card.

**STUDENT ORGANIZATION FEES**

**Student Association Membership Dues**

Student association membership dues are included in the General Fee.

**Activity Fees**

These fees apply to university-sponsored extracurricular activities in which a student may choose to participate. Fees vary depending on the activity and are published prior to each activity.

**Club Membership Dues**

Students may choose to belong to campus clubs and are charged dues of no more than $30 per club, per quarter. Students may charge to their accounts the dues for membership in up to two clubs.

**Junior Class Membership Dues**

The junior class dues are $40 per year. All members of the junior class are charged dues, except for students taking classes through the Adventist Colleges Abroad (ACA) program their junior year. Those ACA students will be charged junior class dues their first quarter enrolled after their ACA year. This is only charged once per student.
Senior Class Membership Dues
The senior class votes the amount of its membership dues. Dues cover the cost of the class gift, senior activities, and graduation pictures. Dues cannot exceed $50 per school year and must be approved by the university president. Autumn quarter graduates will be charged $50. Should the class vote dues of less than $50, an adjustment will be made later in the quarter.

Students pay directly for caps, gowns, announcements, etc. Nursing students pay directly for uniforms, pins, etc.

All undergraduate students who graduate are considered members of the senior class and are charged dues prior to their graduation.

Athletic Program Membership Dues
Team participants are charged a quarterly Team Apparel Fee that varies depending on the sport and is usually no more than $150 per sport.

Residence Hall Exercise Club Membership Dues
The Fitness Factory (for men) $25 per quarter

INSURANCE

Student Insurance
All Walla Walla University students must have health insurance while they are enrolled at WWU. Students are responsible for obtaining and maintaining their health insurance. If a student's health insurance lapses while they are a student at WWU, they are responsible for obtaining replacement coverage. All students, and in particular our international students, are encouraged to carefully review their health insurance coverage to ensure that they are covered for services in the Walla Walla valley. If students require assistance in finding a health insurance plan to meet their needs, please go to wallawalla.edu/insurance or contact the University Clinic at 509/527-2425 for assistance.

Personal Property Insurance
Walla Walla University is not responsible for loss of personal property. Students are encouraged to carry their own insurance for coverage of personal belongings.

COST OF BOOKS AND SCHOOL SUPPLIES
Textbooks and school supplies are available for sale at the University Bookstore operated by Barnes and Noble. Full-time students should budget approximately $280 to $550 per quarter for such purchases.

ACADEMIC FEES

Aviation Program
Flight Training Costs
In addition to the regular cost of tuition and student charges, Walla Walla University charges fees for flight training as follows:
ACADEMIC FEES

Cessna 172 $135 per hour
Cessna 182 $160 per hour
Piper Arrow $160 per hour
Beechcraft Duchess $300 per hour
Computer Simulation
  Frasca Mentor AATD $35 per hour
  Frasca TruFlite AATD $50 per hour

Instruction Fees $55 per hour
Student Pilot Insurance Fee $23.59 per year
FAA Flight Medical $100 (cannot be charged to account)
FAA Practical Test (Check Ride) $500-$900 per rating/license (cannot be charged to account)

Aviation Examination Fees
Federal Aviation Administration (FAA) knowledge examinations are $150 per examination, and is charged to the student as a course fee. These examinations are required for students enrolled in the following classes:

AVIA 135 One Exam
AVIA 141 One Exam
AVIA 261 One Exam
AVIA 334 One Exam
AVIA 356 One Exam
AVIA 358 One Exam
AVIA 458 One Exam

Fuel Surcharge & Fees Subject to Change
An additional variable fuel surcharge fee may apply to all flights when average fuel costs exceed $6.50 per gallon.

All aviation program fees are subject to change as a result of the fluctuation of operating costs. Please contact the Department of Technology for additional information concerning aviation flight costs.

Aviation Payment Options
In order to prevent delays in training, students must have a payment plan in place with the Aviation office. The deadline is the Wednesday before classes begin in order to be placed on the flight schedule for that quarter. These are the options:

1. **Payment in full** for the estimated cost of the flight courses for which they are registered. The student will be removed from the flight schedule if their balance drops below $350. Financial aid can only be considered if the student’s regular tuition account has been paid in full with other funds.
2. **Automatic Payment Form.** The automatic payment plan can use an e-check or a credit or debit card. Charges are processed weekly. If a credit card is used, a 1.75% convenience fee is charged by the payment processor. The form for enrolling in the Automatic Payment Plan can be requested from the front desk of the flight center or by contacting the Director of Operations for Aviation. If an Automatic Payment fails, the student’s flight training is put on hold until the problem is resolved.

3. **Confirmation of third party institution payment** (examples: Veterans Administration, parent employer)

**Aviation Scholarships**

Walla Walla University automatically awards aviation scholarships to subsidize a portion of the flight-training costs.

A student taking AVIA 140, Introduction to Flight, receives a $345 scholarship to put towards the costs of the two-hour flight requirement. Costs in excess of the $345 scholarship are the student’s responsibility and must be paid in advance.

For any other flight training class, the student receives a scholarship of $375 for each credit hour of flight course in which the student enrolls. The Aviation Scholarship is deposited into the student’s aviation account from which the student’s aviation program fees are paid. Fees incurred will be paid from the scholarship first. Additional fees, after scholarship depletion, are the responsibility of the student. Should any scholarship money remain unused, the money is returned to the general fund six months after the student’s last flight training activity. If a student withdraws from a flight training class, or receives an “X” grade (unofficial withdrawal), the scholarship is revoked, even if the student had flight expenses. Students can only receive the scholarship once per class.

**Estimated Aviation Program Costs**

</tr>
</tbody>
</table>

Total (without Practicum)  $73,649 $13,875 $59,774

**Aviation Notes**

The above estimated average costs include all aviation classes. AVIA 358, 458, and 460, are optional for Aviation Management students, AVIA 458 and 460 are optional for Aviation Technology students. Both majors may have practicum flight credits added, the cost of which are not included in the above estimate. Aviation
Program Fees are based on a minimum to complete the required flight classes. Please contact the Department of Technology for additional information concerning aviation flight costs.

Walla Walla University provides aircraft with the fuel costs covered by the rental rate. If a flight is not operated from our home airport and a fuel purchase is necessary, fuel can be charged to an aircraft credit card. An additional variable fuel surcharge fee will apply to any of these external fuel purchases made above a specified surcharge rate. This rate is variable depending on current regional and national fuel prices. The current fuel surcharge rate can be found at the Flight Center or by contacting a flight director. For further details consult the Aviation Program Procedures and Regulations document at fly.wallawalla.edu. Walla Walla University is revising its fee structure for Flight Training expenses. Aviation students will be notified by the Department of Technology and/or Student Financial Services prior to the implementation of the change.

Music Curriculum Fees

MUSIC LESSON FEES

Students may take music lessons with or without receiving academic credit for the lessons. Students enrolled in lessons will be charged fees—in addition to any applicable tuition—according to the following schedule:

<table>
<thead>
<tr>
<th>Lesson Fees—per quarter, plus tuition</th>
</tr>
</thead>
<tbody>
<tr>
<td>For credit:</td>
</tr>
<tr>
<td>Nine half-hour lessons (1 credit)</td>
</tr>
<tr>
<td>Nine one-hour lessons (2-4 credits)</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Lesson Fees—per quarter</th>
</tr>
</thead>
<tbody>
<tr>
<td>For no credit:</td>
</tr>
<tr>
<td>Nine half-hour lessons</td>
</tr>
<tr>
<td>Nine one-hour lessons</td>
</tr>
</tbody>
</table>

A minimum of nine 30-minute lessons per quarter and daily practice totaling five clock hours per week corresponds to one credit hour of music lessons.

It is the student’s responsibility to meet the appointed time for lessons. The teacher is obligated to provide opportunity for makeup lessons only in cases of illness or emergency. Excused absences may be made up at the discretion of the teacher if previous arrangements have been made. Lessons falling on holidays or vacations are not made up unless this results in the student receiving fewer than nine lessons during the quarter.

If a student taking lessons for credit discontinues the lessons, the student must submit a Change of Registration form to the Academic Records Office at the time the lessons are discontinued. A student taking noncredit lessons must inform the Music Office when discontinuing lessons.

MUSIC LESSON FEE WAIVERS

Scholarships equal to the lesson fees charged are available only for music “majors in good standing” who meet the following criteria:
ACADEMIC FEES

1. Completion of MUCT 121-123 Theory I and MUCT 131-133 Ear Training I
2. Acceptance into the music program as a result of passing a status jury exam
3. Enrollment in at least 12 credit hours

Students taking music lessons prior to meeting the above criteria are required to pay the fees during the quarter in which they register for the lessons. Music lesson fee waivers are not retroactive. Students who complete eligibility requirements at the beginning of winter quarter become eligible that quarter. Students who complete eligibility requirements at the end of spring quarter become eligible the following fall quarter. Only those lessons which are needed to complete requirements for a music major are included in the waiver program.

INSTRUMENT RENTAL

Students may rent band or orchestra instruments for $75 per quarter.

Nursing Deposit

When a student is accepted into the nursing program, a $300 non-refundable deposit is required to secure a place in the program. The deposit will be applied towards tuition, although the deposit cannot be used towards the quarter’s down payment.

Student Development Center Fees

“Drop-in” tutoring no charge
Private tutoring $15 per hour

Graduate Student Fees

For additional information about the graduate program and about the fees graduate program participants can expect to incur, refer to the Walla Walla University Graduate Bulletin.

Examination Fees

ACTFL language proficiency exams
   Oral (OPIc) $70
   Written (WPT) $70
American College Testing Program (ACT) examination fee $65
Challenge Examinations
   Credit fee $60 per credit hour
   Examination fee $30
College-Level Examination Program (CLEP) test fee
   WWU Student $105
   Non-Student $110
Correspondence - test fee for online class examinations
   WWU Student Free
   Non-Student $15 per first hour, $5 per additional hour
Education State testing fees
   WEST-B
      Single subtest: ($40 subtest fee & $35 registration processing fee) $75
      All 3 subtests: $120 test fees & $35 registration processing fee) $155
   MAT - Miller Analogies Testing $70
   Nursing Achievement Test fee $55
   LPN Validation test fee $25
   Nursing Admission Test $10 per examination
   Out-of-schedule examination fee $100 per examination
   Pearson Fee for WA Assessment $300
Validation Examinations
   Validation fee $10 per credit hour
   Examination fee $30

Other Fees

Adding/dropping a class after the fourth day of the quarter $30
Application - Undergraduate (non-refundable) $40
Application - Graduate (non-refundable) $50
Diploma replacement: Undergraduate $35
Diploma replacement: Graduate $45
Enrollment Fee $200
Field trips Teachers notify students of special fees to cover expenses
Honors Program $10 per quarter
ID card replacement $15
Late Application for Degree (Senior Outline)~ $100
Late registration $75
Nursing clinical laboratory $60 per credit hour
Nursing drug test $55
FINES

Nursing lab make up time $50 per instructor hour
Nursing background security check $18
Returned check (including electronic check) $25
Student Success Program $75-125 per quarter
Transcript Requests
  Online - Electronic Copy $8
  Online - Mailed Paper Copy $10
  Hard Copy - Mailed Paper Copy $8-15

~ Students will be charged if they file an Application for Degree after the deadline. For June and August graduates, the charge will be assessed if the application is not turned in by the end of winter quarter; for December graduates, if not turned in by the end of spring quarter; for March graduates, if not turned in by the end of autumn quarter.

+ Plus any international bank fees. This charge is assessed for both paper and electronic checks. Example reasons: Insufficient Funds, Account Closed, Invalid Account Number, Stop Payment. Transactions involving fraud may be referred to the appropriate authorities for prosecution.

FINES

Security Fees and Fines

All student-owned vehicles must be registered annually in order to park and operate on the WWU campus. All fines must be appealed online or at the Security Office during regular business hours (9 am to 4 pm). Fines may be paid online or by contacting the Security Office. Fines not paid within two weeks of the date of issue will be assessed an additional late fee of $15 and the entire amount charged to the student’s WWU account and/or a discipline hold may be placed on the student’s account preventing them from gaining financial clearance and registration finalization. In addition, any right to appeal the violation will have been forfeited.

Annual Vehicle Registration Fee

$45

SCHEDULE OF FINES

Parking in Handicapped Parking $75
Failure to show ID/Giving False ID Information to a WWU Security Officer $75
Moving Violations $50

Including, but not limited to: speeding, driving/riding on sidewalks, failure to observe stop signs, reckless driving, driving the wrong way on a one-way street or parking lot, hydroplaning or donut type maneuvers on WWU property including fields and lots (in addition to actual damages).

Blocking Access Areas $50

Including, but not limited to: fire lanes, hydrants, loading zones, service areas and parking spaces, trash pickup sites, other posted areas obstructing traffic, parking in a reserved space.

Removing Cones/Barriers Placed by Security or Placing Cones/Barriers to Reserve Parking Spaces without Authorization from Security $50
Tampering with a Parking Permit-License Plate $50
Failure to Register Vehicle $35
Parking Violations $25

Including, but not limited to: parking in “No Parking” areas, parking out of assigned lot, parking over posted time limit, parking in non-designated parking areas, parking in yellow curb areas

Miscellaneous Violations $25

(i.e. disturbing others with out music or lights)
FINES

Failure to Display Permit $15
Intentional Damage to or Defacing of Vehicles $150
(In addition to actual damages)

PORTLAND CAMPUS--PARKING VIOLATIONS

Any parking violation if fine is paid upon receipt $10
Any parking violation if fine must be applied to student's school bill $20

Peterson Memorial Library Charges and Fees

Walla Walla University Libraries are dedicated to serving the information needs of students and faculty by providing equitable access to materials. All borrowers must present a valid WWU ID card to check out library resources and are asked to respect library property and policies. The libraries' computer system is configured to send automatic courtesy and overdue notices to the borrower's WWU email address. However, it is the borrower's responsibility to monitor their library account for lending information, including items checked out and their due dates. Unless requested by another borrower, renewals are available for most items owned by the WWU Libraries. The borrower is financially responsible for lost, stolen, or irreparably damaged library materials. The library will assess any items returned damaged and will contact the borrower if the item is deemed irreparable.

Unreturned/Damaged Items Owned by WWU Libraries

There are no daily overdue fines for items owned by the WWU Libraries. However, materials should be returned in a timely manner, as once our library computer system considers the material LOST, replacement charges and non-refundable processing fees are automatically added to the borrower's library account. More information on loan periods may be found on the library's website.

Fees may be paid by either cash or check at the Walla Walla University Libraries during the quarter they are incurred. Any unpaid fees are forwarded from the borrower’s library account to the Accounting Office on a quarterly basis. Payment of lost/damage fees does not signify the sale of the library material. Library materials remain the property of the university and should be returned to the Walla Walla University Libraries if found. However, replacement charges will be refunded if a lost item is returned within one quarter of being charged.

Lost/Unreturned/Damaged Items

<table>
<thead>
<tr>
<th>Item</th>

<tr>
<td>Audio/Visual Media</td>
<td>$250*</td>
</tr>
<tr>
<td>Tablets, Digital Projectors, &amp; Other Equipment</td>
<td>$2,000 (maximum)</td>
</tr>
</tbody>
</table>

*Books, periodicals, or A/V media may necessitate a higher replacement fee depending on the cost of the item.

Resource Sharing

Resource Sharing services provide scholars with access to materials outside of the WWU Libraries’ main collections. Materials borrowed through Resource Sharing
should be returned on time to continue a good relationship with the lending institution. Replacement fees for lost/damaged Resource Sharing materials are determined by the lending institution/entity.

Summit: Summit items are borrowed through Walla Walla University's partnership with other libraries in the Orbis Cascade Alliance. Lost or irreparably damaged Summit items have a replacement fee of $90. This will be refunded if a lost item is returned in good condition before it is processed through Summit's Annual Account Reconciliation (AAR).

Interlibrary Loan (ILL): ILL offers access to materials not currently available within the Walla Walla University Libraries or Summit collections. Most ILLs may be acquired without additional charges to the student. In a situation where an item may only be acquired with a cost or copyright fees are required by law, the student will be notified and given the option to charge these costs to their WWU account.

Resource Sharing Charges & Fees

- Summit: Lost/Irreparably Damaged Items $90 per item
- ILL: Lost/Damaged Items
  - Non-Refundable Processing Fee $15 per item
  - Item Replacement Fee Determined by the lending institution
- ILL: Overdue Fines $1 per day + any fines determined by lending institution
- ILL: Failure to Pick Up Ordered Items $5 per item
- ILL: Request Fee Determined by the lending institution
- ILL: Copyright Fee Determined by Copyright Clearance Center

Other University Fines

- Falsely setting off a fire alarm $500
- Setting off an explosive device $500
- Damaging a room varies with damage
- Failure to return dorm key/mailbox key (Meske) $50
- Failure to return non-dorm key $30
- Failure to return mailbox key $30
BILLING

PAYMENT PLANS

Parents and students may choose whichever of the following payment plans is most convenient for them.

Regular Payment Plan

The quarter’s estimated expenses (tuition, required fees, cafeteria meal plan, rent, estimated books and other expenses) plus any previous balance and less any awarded financial aid are paid before the student receives financial clearance for the new term.

Students and/or parents are billed for actual charges as those charges are incurred.

International (other than Canadian) students are expected to use the Regular Payment Plan.

Finance charges will accrue on a past due balance.

Monthly Payment Plan

The quarter’s estimated expenses (tuition, required fees, cafeteria meal plan, rent, estimated books and other expenses) less any awarded financial aid are divided into three equal payments. The first payment plus any previous balance is due before the student receives financial clearance for registration. The second and third payments are due by set dates during the next two months.

Students and/or parents are billed for actual charges as those charges are incurred.

This plan is not available to international students, except for Canadians.

Finance charges will accrue on a past due balance.

MONTHLY PAYMENT PLAN SCHEDULE

The schedule of monthly payments is as follows:

<table>
<thead>
<tr>
<th></th>
<th>Autumn</th>
<th>Winter</th>
<th>Spring</th>
</tr>
</thead>
<tbody>
<tr>
<td>Down Payment +Previous Balance</td>
<td>Registration</td>
<td>Registration</td>
<td>Registration</td>
</tr>
<tr>

<td>October 25</td>
<td>January 25</td>
<td>April 25</td>
</tr>
<tr>
<td>Third Payment</td>
<td>November 25</td>
<td>February 25</td>
<td>May 25</td>
</tr>
</tbody>
</table>

Financial Clearance, Deadline, & Classes Dropped

All students must complete financial clearance each quarter. This online process available through myWWU requires students to review contact information (address, phone numbers, email address), choose a meal plan and confirm housing arrangements, make sure all paperwork for financial aid and loans is completed, make any required down payment, and agree to terms and conditions.

The deadline for fall, winter, and spring quarters is the Wednesday before the start of classes. The deadline for summer quarter is the first day of summer session. Students missing this deadline will have their classes dropped. Because other students may be waitlisted for one of these classes, students are not guaranteed reinstatement into their scheduled classes after financial clearance is completed.
Permissions

During the financial clearance process, the student will be given opportunity to review and approve/deny several permissions (Students can also change their answers on myWWU):

- Send the student a paper copy of their monthly statement of account
- Send parents/sponsors/others a paper copy of their monthly statement of account
- Permission for parents/sponsors/others to talk to Walla Walla University about the student’s finances
- Permission for Walla Walla University to leave automated messages (voice or text) on the student’s cell phone
- Permission for Walla Walla University to use up to $200 of any excess Title IV financial aid towards a previous balance*
- Permission for Walla Walla University to hold the student’s excess Title IV financial aid until disbursement is requested*
- Permission for Walla Walla University to use the student’s excess Title IV financial aid to pay for charges other than tuition and fees, campus housing, cafeteria and books (examples: club dues, activities, Express charges)*
- Permission to apply a Washington State Need Grant directly to their account.

*"Title IV” funds include most federal programs of financial aid, including loans and grants. “Excess Title IV financial aid” occurs when a student’s Title IV aid exceeds the cost of their tuition and fees, campus housing, cafeteria and books. This is common for graduate students. This is not common for undergraduate students, except when parents take out large PLUS Loans, but we are still required to ask permission.

Automatic Payment Plan

Walla Walla University offers two automatic payment plan options. To set up an automatic payment plan, go to payment.wallawalla.edu and sign in.

1 - Monthly Amount Due

The quarter’s expenses (plus any previous balance and less any awarded financial aid) are processed as automatic charges using one of the online payment methods listed below. These payments are processed around the 25th of each month. At the end of the school year (or sooner if a student finishes midyear), a final charge or credit is applied using the payment method.

Many people choose this option because it reduces the time spent arranging payment and makes the user eligible for rewards many credit card companies offer (frequent flyer mileage, discounts, rebates, etc.).

2 - Recurring Amount

The same amount is processed each month, on the date of your choosing. When you set this up, you specify the date, dollar amount, and how many times you wish the payment to be processed. Because some students use this to pre-pay expenses, these payments are processed even if the account is paid.

STATEMENTS

Itemized statements giving an account of the previous month’s expenses are issued monthly. A student may choose to receive a copy of their paper statement. Students
METHODS OF PAYMENT

may request copies be mailed to third parties, such as parents or sponsor. All students have access to electronic copies of their statement. In addition, students may authorize other people to have electronic access to the student’s statement and account charges.

METHODS OF PAYMENT

• Cash is accepted at the Accounting Office:
  WWU Accounting Office
  103 SW 4th Street
  College Place WA 99324
  Due to security concerns, WWU discourages payments with large amounts of cash.

• Paper checks and money orders should be made payable to Walla Walla University and sent to:
  WWU Accounting Office
  204 South College Avenue
  College Place, WA 99324
  Personal checks submitted for any tuition, fees, books, or other charges should have the student’s full name and ID number written on the face of the check. Personal checks arriving without this information will have the student’s ID number written on them by WWU personnel. Should the payer prefer not to have the student’s ID number written on their personal check, payment should be submitted by cashier’s check, money order, credit card, or cash (in person only at the Accounting Office).

• Electronic check payments may be made online at wallawalla.edu/payment. These payments require bank approval, and are subject to a $25 fee for payments returned for insufficient funds or incorrect account numbers. There is no fee for valid electronic checks. These payments are credited to the student account immediately when submitted.

• Debit/Credit card payments may be made online at wallawalla.edu/payment. Payments made by phone or in person are processed through this same website. WWU accepts American Express®, Discover®, MasterCard® and Visa® credit cards. Credit cards have a 1.75% processing fee. There is no fee for debit card transactions. These payments are credited to the student account immediately when submitted.

• Students and others wishing to have funds electronically transferred (wire transfers) should contact David Freedman in the WWU Accounting Office at 509/527-2312.

PAST-DUE ACCOUNTS

A Finance Charge will be imposed on each item of a student's account that has not been paid by the statement due date. The Finance Charge is computed at the rate of one percent (1%) per month or an Annual Percentage Rate of twelve percent (12%) on the past due balance.

The past due balance is computed by taking the statement's amount due and subtracting any payments, credits, or financial aid received by the statement due date. A grace period may be given until the end of the month, at the University's discretion. The remaining balance owing, if any, is multiplied by one percent to obtain the periodic Finance Charge. The minimum finance charge is $1.
RELEASE OF TRANSCRIPTS OR DEGREES

By action of the Board of Trustees of the University, a diploma or transcript (official or unofficial) may not be released until the following criteria are met:

- The student’s account is paid in full.
- The student has paid off any short-term loan co-signed by WWU.
- The student’s Nursing, Perkins, or institutional loans are current.
- The student’s loan exit interviews are complete. (Diploma only)

To expedite the release of transcripts, diplomas, and other legal documents, a money order, credit card payment, or certified check should be sent to cover the balance of the student’s account. Requests for transcripts must be made in writing, signed by the student, and either faxed or mailed to the Academic Records Office.

When transcripts are requested online, an electronic copy costs $8 or a mailed paper copy is $10. For transcripts requested by hard copy, the cost is $15 for a mailed paper copy.

CHANGE IN EXPENSES

Because of fluctuation in the economy, the University Board of Trustees reserves the right to adjust costs and policies throughout the school year or to supersede statements published in this bulletin.
EMPLOYMENT

Walla Walla University offers a limited work program for students on the College Place campus. The university neither assigns nor guarantees students jobs. Rather, each student who wishes to be employed is responsible for finding, getting, and keeping a job. Students may pursue job leads on their own or with the help of Student Employment. (To request additional information, contact Student Employment at 800/656-2357, 509/527-2357, or stuemp@wallawalla.edu)

FINDING A JOB

Students who wish to begin job-hunting before arriving on campus are encouraged to do so. Students may contact Student Employment to request a list of on-campus employers or may view the list online at:

wallawalla.edu/employers

Students have access to Job Scene—a listing of available jobs that is posted at Student Employment and online at:

wallawalla.edu/jobscene

Students who are not on campus and who do not have Internet access may telephone or contact Student Employment to request a current copy of Job Scene.

APPLYING FOR A JOB

Job applications are available on the Internet at:

wallawalla.edu/student-employment-application

The staff at Student Employment can help students with getting their application distributed to potential employers on campus.

PAYMENT

Amount

The pay scale for most jobs begins at minimum wage for entering freshmen. Washington State minimum wage for 2018 is $11.50 and rises to $12 on January 1, 2019. Students with advanced skills may be paid more. Also, students who stay in their jobs and whose skill levels increase will normally receive periodic raises.

All students working on campus are covered by workers’ compensation but are not covered by unemployment insurance.

Method

All students employed on campus are paid every other week. Payments are electronically deposited directly into a bank account at any U.S. bank, savings and loan association, or credit union of the student’s choice. In most cases, students have instant access to their money through automated teller machines even when banks are closed.

Students may opt to have a percentage of their net wages (after taxes) applied to their student account. Students wishing to have this option should sign the "Voluntary
Authorization for Payroll Deduction" form available online or in Student Employment.

WORK HOURS

What Hours to Work
A student’s class schedule may affect that student’s employment opportunities. Many employers need student workers between 8 a.m. and 12 noon. In general, students find that having three- to four-hour blocks of time available is ideal for their work schedules.

How Many Hours to Work
Students registered for 12 or more credit hours generally find 10 to 15 hours to be the maximum they can work per week.

PROVING ELIGIBILITY FOR EMPLOYMENT

Federal regulations require that all employees hired present Original documents that establish both their identity and eligibility to work. All students wishing to work on the Walla Walla University campus are required to present such documents in order to receive authorization to begin work.
FINANCIAL AID

Families unable to meet the costs of a Walla Walla University education are encouraged to apply for financial aid from the government and the university. All financial aid applications are evaluated based on the government's standard analysis of need. This analysis determines how much each family can afford to pay for the university according to federal government guidelines. Financial aid recipients are then awarded aid packages which typically include a combination of scholarships, grants, low-interest loans, and student employment. Unless otherwise noted, all forms of financial assistance are disbursed one-third each quarter (fall, winter, and spring). The total amount of scholarships, grants, and subsidy (from all sources) which a student receives cannot exceed WWU's packaging budget in any given year. If the total does exceed the packaging budget, the award from WWU will be reduced.

In order to receive the maximum financial assistance available, students should plan their finances for the entire academic school year prior to registration and complete their financial aid file by April 30 prior to the school year.

Adding or dropping a class on or before the 10th day of the quarter may affect a student's financial aid package.

SCHOLARSHIPS

Scholarships are awarded for academic excellence, student leadership, and other accomplishments. They are not awarded based on need and do not have to be repaid. Even though it is recommended that students apply for financial aid, they are not required to do so in order to receive scholarships.

Scholarships Available for Entering Freshmen

WWU offers many scholarships to entering, first-time freshmen. Students are advised to inform Student Financial Services of scholarship eligibility and be prepared to document eligibility as required. Entering freshmen who do not attend WWU all three quarters of their freshman year forfeit a portion of their scholarships.

This scholarship program was designed for first time freshmen who enroll after September 1, 2018. Students already enrolled prior to the 2018-19 year will remain on the scholarship program in place when they enrolled as a first time freshmen at WWU.

AWARDS FOR EXCELLENCE IN ACADEMIC ACHIEVEMENT

$8,000-12,000 per year Renewable

ACHIEVEMENT SCHOLARSHIP. A student can be awarded a scholarship based on their high school cumulative GPA or ACT/SAT test scores, whichever has the highest dollar value.
This award is fully renewable for three additional years if the student maintains a 3.0 grade-point average. To validate this award, evidence of grade-point average must be submitted to Student Financial Services by the student's school. General Equivalency Diploma (GED) test scores do not qualify. Students who attend any other college or university (except for the summer) forfeit the balance of their scholarship. See wallawalla.edu/achievement-scholarship for complete official scholarship guidelines.

| Grade-Point Average | ACT Composite Score | Old SAT Composite Scores | New SAT Composite Scores | Award  
|---------------------|---------------------|--------------------------|--------------------------|--------
| 3.90 to 4.00        | 31+                 | 2060+                    | 1,440+                   | $12,000 |
| 3.75 to 3.89        | 29-30               | 1,920-2050               | 1,360-1,430              | 11,000 |
| 3.50 to 3.74        | 25-28               | 1,700-1,900              | 1,220-1,350              | 10,000 |
| 3.25 to 3.49        | 24                  | 1,650-1,690              | 1,190-1,210              | 9,000  |
| 3.00 to 3.24        | 23                  | 1,590-1,640              | 1,150-1,180              | 8,000  |

1 WWU Achievement Scholarships are awarded on the ACT/SAT test taken prior to collegiate level enrollment (Exception: Running Start). If a student has not taken the test before enrollment, the test may be required for academic placement, however, it will not impact the Achievement Scholarship.

2 Taken before February 2016

3 Taken after February 2016

4 Renewable for three additional years if student maintains 3.0 GPA.

**OUT-OF-AREA GRANT.** A student whose residential address is outside of Washington or Oregon will receive an award of $2,000. Students who receive this grant can continue to receive it for an additional 3 years as long as they maintain the out-of-area residency requirement. If the student is a dependent financial aid applicant, the state of residence is that of the parent supplying information on the FAFSA. Otherwise, we use the state in the student's permanent address. Students who attend any other college or university (except for the summer) forfeit the balance of their grant. Students receiving this grant cannot receive the Washington State Need Grant. See wallawalla.edu/oag for complete official scholarship guidelines.

**NATIONAL MERIT SCHOLAR AWARDS.** Students who place well on the National Merit Qualifying Exam (taken October or November of a student's junior year in high school) are rewarded with a scholarship. See wallawalla.edu/national-merit-scholarship for complete official scholarship guidelines.

SCHOLARSHIPS

1 Renewable at 100% for one year and at 50% for two more years if student maintains 3.80 GPA. Recipient not eligible for other academic scholarships including the Out-of-Area Grant; recipient is eligible for leadership scholarships. Subsidy and President’s Scholarship cannot exceed the cost of tuition and room.

2 Fully renewable for three additional years if student maintains a 3.80 GPA. Recipient also eligible for GPA or ACT/SAT Scholarship and the Achievement Bonus.

OTHER AWARDS FOR ENTERING FRESHMEN

EXCELLENCE IN LEADERSHIP AWARD. Walla Walla University awards scholarships to entering freshmen who served in certain leadership roles during their junior and senior years. To validate this award, evidence of the office held must be submitted to Enrollment Services. Students may qualify for more than one Excellence in Leadership award up to a total of $1,500. See wallawalla.edu/leadership-awards for complete official scholarship guidelines.

*Office subject to WWU approval. Limit two awards of this type per student.

HONORS GENERAL STUDIES PROGRAM SCHOLARSHIP. Students in the Honors Program are awarded an annual scholarship dependent on successful completion of specific courses and a minimum GPA of 3.0 or higher. Freshman and Sophomore students receive $1,000 and Juniors and Seniors receive $1,500. Scholarship funds will be applied to students accounts at the start of spring quarter.
OTHER POTENTIAL SCHOLARSHIP SOURCES. As part of their university financial planning, students are encouraged to find out whether they qualify for scholarships from community organizations (like the PTA, YWCA, and Rotary Club), from their parents’ employers, or from their local churches. Information on assistance offered in a student's hometown can be obtained through the local high-school counselor, public library, or Chamber of Commerce.

Scholarship information can also be accessed via the Internet at finaid.org. Students should pay special attention to FastWEB at fastweb.com where scholarship searches can be run for free.

Scholarships Available for Continuing Walla Walla University Undergraduate Students

$300-1,000 per year

EMPLOYMENT RECOGNITION AWARD. Walla Walla University distributes a number of awards to students each spring in recognition of outstanding work. Nominations for awards are made by departments and supervisors and are disbursed the following school year.

ADDITIONAL SCHOLARSHIPS. Additional scholarships for continuing students are offered through the generosity of alumni and friends of Walla Walla University. Over 200 scholarships exist. If an application is required, it will be available early February for the following school year. Application deadline is 4 pm on February 22, 2019. Late applications are not considered. Go to: wallawalla.edu/cont-schol to see a complete list of scholarships. Amounts vary.

Scholarships Available for Undergraduate Transfer Students

Transfer students are advised to inform a financial counselor of their scholarship eligibility and to be prepared to document it as required. Students who previously attended Walla Walla University are not eligible to receive these awards.

This scholarship program was designed for students who transfer to Walla Walla University after September 1, 2018. Students who transferred prior to September 1, 2018, will remain on the scholarship program in place when they initially transferred to Walla Walla University.

This award is renewable for three additional years if the student maintains a 3.00 cumulative college GPA at WWU. See wallawalla.edu/transfer-scholarship for complete official scholarship guidelines.

AWARDS FOR EXCELLENCE IN ACADEMIC ACHIEVEMENT

$2,500-4,000 per year

May be renewable

TRANSFER SCHOLARSHIP FOR OUTSTANDING CUMULATIVE UNIVERSITY GRADE-POINT AVERAGE.

Walla Walla, WA 99362

**YOUTH SERVICE OPPORTUNITIES AWARDS.** In cooperation with the Youth Department of the North Pacific Union and local conferences, Walla Walla University awards scholarships for full-time students who participate in the Youth Service Opportunities Program during the summer.

These scholarships are disbursed one half each for winter and spring quarters. Walla Walla University will hold these scholarships for one year as long as the recipient does not attend another institution of higher education between the time of employment and the student's enrollment at Walla Walla University.

- **CAMP SCHOLARSHIP.** WWU matches 50% of the student's gross summer earnings up to a maximum match of $1,000 when a student works as an overnight youth-camp staff member. (Day camps, student church interns, conference or union office workers are not eligible for this scholarship.)

- **MAGA BOOKS OR COLPORTEUR SCHOLARSHIP.** Walla Walla University matches 50% of a student's gross summer earnings from either of these programs up to a maximum match of $1,000.

### Scholarships Available for Graduate Students

Students registered for less than 12 hours will receive prorated grants and scholarships.

**GRADUATE ASSISTANTSHIPS.** A few assistantships are available for graduate students in biology and education. Candidates applying for these assistantships should write to the respective department chairs.

GRADUATE DEAN'S SCHOLASTIC ACHIEVEMENT AWARD. This cash award and certificate of distinction are for graduate students with exceptional academic records. The graduate faculties nominate recipients.

MASTER OF ARTS IN CINEMA, RELIGION, AND WORLDVIEW DEPARTMENTAL SCHOLARSHIP. Each student who holds a bachelor's degree from WWU and whose cumulative grade-point average (GPA) was at least 3.0 is eligible for this award. Funds are disbursed one-fourth each quarter—fall, winter, spring, and summer—of the recipient's first year in the program. Recipients may also qualify for Master's in Cinema, Religion, and Worldview Merit Scholarships.

$500-1,000 Nonrenewable

MASTER OF ARTS IN CINEMA, RELIGION, AND WORLDVIEW MERIT SCHOLARSHIP. This scholarship is awarded in recognition of an outstanding undergraduate grade point average (GPA). One-fourth of the scholarship is disbursed each quarter—fall, winter, spring, and summer—of a recipient's first year in the program. Recipients may also qualify for the Master of Arts in Cinema, Religion, and Worldview Departmental Scholarships.

GRANTS

Grants Available for Undergraduate Students

Grants are awarded on the basis of financial need and do not have to be repaid. All students applying for financial aid are considered for these grants. If a separate application is required, eligible students are contacted and encouraged to apply.

Up to $6,095 per year
Renewable

FEDERAL PELL GRANT. This program is made available to undergraduate students by the U.S. Department of Education. There is a lifetime limit of the equivalent of six years of grant.

Up to $1,800 per year
Renewable

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG). This grant is made available to undergraduate students by the U.S. Department of Education. The student must be receiving a PELL Grant to be eligible.

$4,870-9,739 per year
Renewable

WASHINGTON STATE NEED GRANT. Recipients of this grant must have lived in Washington State for one full year prior to the first day of the quarter for which the grant is awarded. Parents of dependent students must also have residency.

Because of state funding limitations, students hoping to receive this grant should apply for financial aid as soon as possible.
WASHINGTON STATE COLLEGE BOUND SCHOLARSHIP. The College Bound Scholarship program is an early commitment of Washington State financial aid to eligible students who sign up in middle school and fulfill the pledge. The application deadline is June 30 at the end of the student's 8th grade year. The program encourages students who might not consider college because of the cost to dream big and continue their education beyond high school. Students commit to: Graduate from a Washington high school or home school with a 2.0 GPA or higher, be a good citizen and not be convicted of a felony, and apply to an eligible college and file the Free Application for Federal Student Aid (FAFSA) in a timely manner.

NPUC GRANT. This need-based grant for undergraduate students is funded by the North Pacific Union Conference (NPUC) and Walla Walla University. Because of funding limitations, students must complete their financial aid files by April 30 to be considered for this grant.

CLYDE AND MARY HARRIS GRANT. This grant is available to undergraduates from Pendleton, Oregon, who show financial need. In order to be considered for this grant, students must be accepted for admission or re-admission to WWU and must complete their financial aid files, both by June 30.

WALLA WALLA UNIVERSITY THEOLOGY GRANT. This grant is awarded to students who, as a result of majoring in theology, are ineligible for the Washington State Need Grant. Students receiving this grant cannot receive the Out-of-Area Grant.

WALLA WALLA UNIVERSITY GRANT. This grant is awarded to the most needy students. Recipients are required to live in university housing or with their parents during the period for which the grant is awarded. A student who meets one of the following criteria may request a housing-requirement waiver from the Office of Student Life:

- Student owns his or her own home or lives with parents at their primary residence in the community
- Student has lived in current residence for two or more years and is at least 22 years old
- Student meets the criteria of an independent student as defined on the FAFSA
- Student lives with a full-time employee of WWU and monthly rent payments are $150 or less per month

LEWISTON / CLARKSTON / POMEROY SEVENTH-DAY ADVENTIST CHURCH GRANTS. These grants are for undergraduate members of these churches. To qualify for need-based grants of up to $1,000, recipients must complete their financial aid files by June 30.
For grants of up to $500 for a GPA of 3.50 or better, new students must have their transcripts and achievement test scores on file at WWU and must be accepted for admission, both by June 30. If not enough money is available to fully fund all qualified students, the awards will be reduced proportionately.

Students who believe they may be eligible for the following grants may apply for them as each description instructs.

**BUREAU OF INDIAN AFFAIRS GRANT.** Students who have at least one-fourth American Indian or Inuit blood may obtain grant assistance from the Bureau of Indian Affairs. For applications and additional information, contact:

Northwest Regional Office  
Bureau of Indian Affairs  
911 Northeast 11th Avenue  
Portland, OR 97232-4169  
Telephone:  503/231-6702

**PEGGY KAYE NURSING GRANT.** This grant is available to nursing students on the Portland campus for unusual needs. The grant is not normally given to help with routine expenses such as tuition or books. Potential recipients must apply for this grant through the School of Nursing and must show financial need.

**CHURCH MATCH GRANT.** When a student's home church contributes to the student's educational expenses, Walla Walla University matches the first $2,000 from the church, provided:

- The appropriation comes from local church funds.
- Donations from the recipient's family are not included.
- The student did not work for the church to earn the money.
- No one donor gave more than 25% of the total.
- The church pastor and treasurer complete and sign a request form, available online or from Student Financial Services.
- The student shows financial need according to the U.S. government's formula for financial aid.

Students wishing to receive this grant are responsible for asking their home churches to contribute. If a church is willing, Student Financial Services then works with the student, the home church, and the university to coordinate the matching of funds. Matching funds are only available during fall, winter, and spring quarters. Funds must be received by the end of the school year (no retroactive awards).

**Grants Available for Graduate Students**

Students registered for less than 12 hours will receive prorated grants and scholarships.
LOW-INTEREST LOANS

$2,340 per year
Renewable

MASTER OF ARTS IN CINEMA, RELIGION, AND WORLDVIEW NEED GRANT. This grant is awarded to students who show need through the financial aid application process. This grant is disbursed at a rate of $585 each quarter a student is enrolled full time.

$2,600 per year
Renewable

MASTER OF ARTS IN TEACHING NEED GRANT. This grant is awarded to students who show need through the financial aid application process. This $2,600 grant is disbursed at a rate of $650 each quarter—fall, winter, spring, and summer.

$2,600 per year
Renewable

WALLA WALLA UNIVERSITY MASTER’S IN SOCIAL WORK GRANT. This grant is awarded to students who show need through the financial aid application process. Funds are disbursed at the rate of $650 each quarter for fall, winter, spring, and summer.

$4,000 per year
Renewable

CHILD WELFARE TRAINING GRANT. For more information, contact the Social Work Department at 509/527-2590.

LOW-INTEREST LOANS

Included in almost all financial aid packages, loans allow students to attend the university while payments and interest are typically deferred until after graduation or withdrawal from school. By applying for financial aid and demonstrating need, a student may be considered for one or more of the following loans. These loans require a student to sign a master promissory note as well as complete entrance counseling. Most loans also require a loan disclosure document and a certification form. All of these can be completed online, although paper forms are available upon request.

Up to $5,500 per year
Renewable

FEDERAL DIRECT STUDENT LOAN PROGRAM. This program allows a student to borrow directly from the U.S. Government. Repayment of the principal need not begin until six months after the student ceases to be enrolled at least half time.

There are two kinds of Federal Direct Loans: subsidized and unsubsidized. The U.S. government pays the interest on a subsidized loan while the student is in school. On an unsubsidized loan, the student is responsible for the interest and may either make payments on the interest or have it added to the principal. Eligibility for the interest subsidy is determined by using the federal government’s standard analysis of need.

*Dependent Undergraduate

**Includes Loans borrowed as an Undergraduate
In addition to the limits printed above, independent undergraduates may borrow additional Federal Direct Unsubsidized Loans. The borrowing limit is $4,000 per year for freshmen and sophomores; $5,000 per year for juniors and seniors. Dependent undergraduate students have a total limit of $31,000; independent undergraduate students have a total limit of $57,500.

The interest rate for the Federal Direct Loans is determined by the federal government each year.

Loan origination fees are deducted from the loan amount before funds are issued to Walla Walla University.

Students sign a Master Promissory Note when they first borrow under this program. No further promissory note is required for any additional loans taken out during the next 10 years.

Borrowers must complete the Entrance Loan Counseling online.

Loan forgiveness may be available after making 120 on-time payments while working for a qualified government or non-profit employer. See MyFedLoan.org/PSLF

**FEDERAL PERKINS LOAN.** This loan is made available by the U.S. Department of Education and WWU. Students may borrow up to $27,500 during their entire undergraduate period of study. Repayment begins six to nine months after the borrower ceases to be enrolled at least halftime. Repayment may be extended up to 10 years with an interest rate of 5%. A portion or all of this loan may be cancelled by working in certain occupations or the Peace Corps. (This loan program has been discontinued by the federal government at this time.)

**INSTITUTIONAL LOANS.** These loans are provided through the generous gifts of friends of the university. Terms are similar to those of the Federal Perkins Loan program. Repayment begins six to nine months after the borrower ceases to be enrolled at least halftime. Repayment may be extended up to 10 years with an interest rate of 5%. A complete list of these loans is available at: loans.wallawalla.edu  Choose "Low Interest Loans."

**NURSING STUDENT LOAN.** The federal government and Walla Walla University make this loan available to nursing students attending on the Portland campus. Students may borrow up to $3,300 per year ($5,200 per year their last two years), but no more than a total of $13,000 during their entire undergraduate period of study.

Repayment of the Nursing Student Loan begins nine months after the borrower ceases to be at least a halftime nursing student. Repayment may be extended up to 10 years with an interest rate of 5%. Repayment may be deferred if the student enrolls for graduate nursing studies.

Because of funding limitations, Walla Walla University can only offer this loan to junior and senior nursing students. The maximum loan may also be reduced. Students should apply for financial aid as soon as possible in order to be considered for this loan.
Students are not automatically considered for the following loans. Applications and more information are available from Walla Walla University's student loan coordinator who can be reached at Student Financial Services.

**LOANS TO PARENTS (FEDERAL PLUS).** This program allows parents of dependent undergraduate students to borrow directly from the U.S. Government. Parents may borrow an amount equal to the total cost of attendance less other financial aid.

If a parent applies for a federal PLUS Loan and is denied, the student may borrow additional Unsubsidized Direct Loan funds as though they were an independent student ($4,000-$5,000 per year).

Repayment may begin within 60 days after full disbursement of loan funds. The interest rate for PLUS Loans is determined by the federal government each year. There is a 4% processing fee deducted when the loan is disbursed. Negative information reported to a credit bureau may disqualify a borrower from using this loan.

**GRADUATE DIRECT PLUS LOANS.** This loan program allows graduate students to borrow up to 100% of their total cost of education, minus other financial aid they have been awarded. The total amount can pay for tuition, books, food, housing, transportation, and more. Although interest accrues on the loan while they are in school, the borrower can defer payments while they are enrolled at least half-time. The interest rate for the Direct PLUS Loans is determined by the federal government each year. Loan origination fees are deducted from the loan amount before funds are issued to Walla Walla University. Negative information reported to a credit bureau may disqualify a borrower from using this loan.

**PRIVATE LOANS.** Several private lenders offer loans to students to assist with their education. Each lender sets their own terms for the loan. Lenders may require a borrower to have a co-signer before the loan is approved.

PART-TIME EMPLOYMENT

As part of their financial aid packages, Walla Walla University students are encouraged to take advantage of part-time employment to defray part of their educational expenses. For more information, refer to the Employment section of this bulletin.

Federal Work-Study Program

The federal government provides Walla Walla University money to expand student employment opportunities both on campus and in the community. Positions available on campus or with nonprofit agencies off campus include clerical, library assistant, teacher's aide, building maintenance, and many other jobs and community service activities. The employer pays the student directly with the federal government reimbursing the employer for a portion of the labor costs.

In order to participate in this program, a student must have a complete financial aid file and Work-Study Program eligibility, which is determined through the financial aid application process.

Washington State Work-Study Program

The State of Washington provides Walla Walla University money to expand student employment opportunities off campus. Students perform work related to their major fields of study. The employer pays the student directly, with the state reimbursing the employer for a portion of the labor costs. Washington State residency is required for job placement.

In order to participate in this program, a student must have a complete financial aid file and Work-Study Program eligibility, which is determined through the financial aid application process.

ELIGIBILITY FOR FINANCIAL AID

In order to be considered as a potential recipient of most forms of financial aid available at Walla Walla University, a student must complete and submit the Free Application for Federal Student Aid (FAFSA) and a Walla Walla University Financial Aid Application.

To qualify for financial aid, a student must:

- Be a citizen or permanent resident of the United States.
- Show evidence of having received a high school diploma or Graduate Equivalency Diploma (GED).
- Receive official acceptance for admission to WWU.
- Show financial need through the application process.
- Register for at least 12 credit hours. (Students registered for 6-11 credit hours will receive a reduced aid award.)
- Be working toward a degree or certification.
- Maintain satisfactory academic progress as defined in this bulletin.
- Not be in default on any student loan.
- Not have already received financial aid in excess of the limits in the Satisfactory Academic Progress Policy (See “Satisfactory Academic Progress Policy for Financial Aid Recipients” section of this bulletin for further details).
Not owe a refund on a Federal Pell Grant or Federal Supplemental Educational Opportunity Grant.

Be registered with Selective Services if required to do so.

Have no prior conviction for drug distribution or possession.

Each student is responsible for keeping Student Financial Services informed of changes in the student's or the family's financial circumstances or in the information originally submitted on the WWU Financial Aid Application.

**FINANCIAL AID PROCESS**

In order for the student to receive the maximum amount of financial aid, all required paperwork must be filled out completely, signed wherever required, and submitted promptly. Early applicants usually receive larger grant awards, and students can receive no aid before submitting all required forms.

**FINANCIAL AID FORMS** are available on line (see below).

**LATE APPLICATIONS.** Financial aid applications received after April 30 prior to the school year are considered on a first-come, first-served basis as funds are available. Students who submit applications, corrections, or other required information less than two weeks before the start of classes usually receive less financial aid, may encounter delays at registration, and may have to register late unless they can cover the quarter's down payment without financial aid.

**LACK OF INFORMATION.** Students who do not supply the information required for each type of aid are not awarded aid until the information is received. The award is forfeited if the information is received after the program deadline.

**REAPPLICATION.** In order to continue receiving financial aid, recipients must reapply for financial aid each year.

**TRANSFER OF AID.** Funds awarded by Walla Walla University cannot be transferred to other institutions.

**Financial Aid Process Checklist**

The following outlines the steps involved in the process of applying for and being awarded financial aid:

**Step 1. FAFSA**

Create your Federal Student Aid ID:

- The SFA ID is used to sign the FAFSA in Step 2, as well as certain federal financial aid documents
- The student will need an FSA ID and will use the same FSA ID each year.
- If the student is dependent, one parent will need an FSA ID. The parent will use the same FSA ID each year and will use it for all of their children.

**Step 2. WWU Financial Aid Application**

Complete and submit the Free Application for Federal Student Aid (FAFSA) each year.

- Students are encouraged to complete and submit the FAFSA via the Internet at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Paper applications are available upon request from the Department of Education by calling (800) 4-FEDAID.
- For maximum aid, submit the FAFSA by April 30 prior to the academic school year you plan to attend WWU.
• Remember to provide the WWU School Code (003799) on the FAFSA so your information may be released to WWU.
• The FAFSA is available October 1 prior to the school year and uses the prior year's tax information. For the 2019-20 school year, the FAFSA is available October 1, 2018, and uses the 2017 income tax information.

Step 3. Verification
Note: The federal government selects about a third of all aid applicants for verification. Only students who are notified that they have been selected for verification need to complete the following procedure:

• You will receive a Verification Worksheet by mail. Complete and return the form as instructed.
• You can use the IRS Data Retrieval at www.fafsa.ed.gov to update your FAFSA with IRS verified information or mail your IRS Tax Transcript to Walla Walla University. If you did not file and will not file, you must complete a Non-Filer Form.
• If you are single and under age 24, you need your parents to use the IRS Data Retrieval at www.fafsa.ed.gov to update your FAFSA with verified information or have your parents mail their IRS Tax Transcript to Walla Walla University. If your parents did not file and will not file, they must complete a Non-Filer Form.
• You must sign the form under Step 3. If you are a dependent student, you must also have a parent sign the form. The completed form and all required tax paperwork can be mailed to Student Financial Services or faxed to (509) 527-2556.

NOTE: An IRS Tax Transcript is obtained from the IRS. Copies of the 1040 tax forms are not acceptable.

Step 4. Financial Aid Award
After you have submitted all required documents, Student Financial Services will issue a Financial Aid Award. Your award will include:
• An award letter detailing your financial aid package.
• A personalized estimated financial plan showing a quarterly breakdown of expenses and the financial aid from each aid source that will be credited to your student account. The financial plan will give your estimated down payment and monthly payment figures for each quarter.

Unless otherwise noted, financial aid awards are disbursed one-third per quarter for fall, winter, and spring. Each time there is a change in the financial aid award, the student is issued a new award letter.

DISTRIBUTION OF FINANCIAL AID

The following figures represent the maximum amount of aid a student can receive from each source listed and the order in which the aid programs are considered.

* Scholarships, veteran’s benefits, etc.

FINANCIAL AID FOR STUDY ABROAD

Students who wish to study for up to one school year* through Oxford University or at any of the Adventist Colleges Abroad (ACA) programs: Universidad Adventista del Plata, Argentina; Brazil Adventist University, Brazil; Newbold College, England; Saleve Adventist University, France; Friendensau Adventist University, Germany; Istituto Adventista Villa Aurora, Italy; Middle East University, Lebanon; or Centro
Universitario Adventista de Sagunto, Spain, may apply for a loan to parents (PLUS), Federal Direct Loan, or Federal Pell Grant. Most other forms of financial aid are not available for students participating in these programs. Continuing Walla Walla University students are also eligible to apply for a scholarship from the Department of Communications and Languages.

* Students who study abroad more than one school year (except summers) will forfeit their WWU scholarships.

FINANCIAL AID CENSUS POLICY

Rather than adjust financial aid packages each time a student changes his or her course load, WWU has chosen to use the 10th day of the quarter as a census date. Students who are enrolled at the end of the 10th day of the quarter are awarded financial aid based on the number of credit hours for which they are registered on that date. Students who are not enrolled on the 10th day:

- Receive reduced (or no) financial aid awards if the students dropped all their classes before the 11th day of the quarter. (Their aid is returned to its original sources, in accordance with the Financial Aid Refund and Repayment Policy printed in this bulletin.)
- Receive aid based on the number of credit hours for which they register after the 10th day of the quarter.

FINANCIAL AID INFORMATION SPECIAL TO UNDERGRADUATE CANADIAN STUDENTS

Available Financial Aid

- **CANADIAN GOVERNMENT GRANT & LOAN PROGRAMS** are administered by the government of Canada and provide assistance for Canadians needing assistance to attend a university.
  
canlearn.ca/

- **THE CANADIAN STUDENT LOAN PROGRAM**, allows students from Canada to fund their education in the USA. Students applying for this loan will need a US citizen or permanent resident co-signer. Canadian students can apply for the loan program online or by telephone, and can borrow annually up to the cost of attendance.

  More information about this loan program can be found at:

  internationalstudentloan.com/canadian_student/

Canadian students are also eligible to receive scholarships and to hold on-campus jobs. The Scholarships and Employment sections of this bulletin provide further information.
SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID RECIPIENTS

UNDERGRADUATE STUDENTS

Overview

Students must maintain satisfactory academic progress (SAP) toward degree completion to receive financial aid. The requirements are as follows:

1. Maintain the required minimum quarterly and cumulative grade-point average (GPA). (See the "Academic Probation and Dismissal Policy" in the Undergraduate Bulletin.)
2. Complete 70 percent of the credits registered for on the 10th day of the quarter on both a quarterly and cumulative basis for the duration of studies.
3. Complete a degree program within a maximum time frame for which Walla Walla University (WWU) awards financial aid. (See “Maximum Time Frame for Aid Eligibility” in this policy.)

This satisfactory academic progress requirement applies to a student’s entire period of attendance at WWU, including any periods during which the student receives no financial aid.

Academic progress is reviewed quarterly after grades are posted. At the end of each term, students who have not maintained satisfactory academic progress are notified by Student Financial Services and placed on Financial Aid Warning. If a student on Financial Aid Warning fail to meet the SAP policy the next quarter, the student becomes ineligible for financial aid.

Students who fail to maintain satisfactory academic progress may seek financial aid eligibility reinstatement. (See the “Reinstatement of Financial Aid Eligibility” section of this policy.)

Students are responsible for monitoring their own academic progress.

Definition of Terms Related to this Policy

Attempted Credits. The number of credits a student was enrolled for on the 10th day of the quarter. Financial aid is awarded based on these credits. (Incompletes, withdrawals, classes taken for no credit [s/nc] and failed classes are counted toward the total attempted credits. A repeated course is counted as an attempted credit each time the course is taken.)

Completed Credits. The number of credits which count toward a degree. Only courses for which the student received a passing grade are included. (Incompletes/F, withdrawals, failed courses and audits are not counted as completed credits. A repeated course is counted only once.)

Financial Aid Warning. The status assigned to a student who fails to make satisfactory academic progress at the end of a quarter. The student may continue to receive financial aid for one more quarter without appealing.
Financial Aid Ineligible. Financial aid will be cancelled for a student who does not meet the SAP policy two quarters in a row.

Financial Aid Probation. The status assigned to a student who fails to make satisfactory academic progress and who has appealed and been approved to receive financial aid the following quarter enrolled. At the end of a probation quarter the student must be meeting the SAP policy or be successfully following an academic plan approved by the Financial Aid Committee.

If a student is placed on probation due to an appeal to the Financial Aid Committee and in subsequent terms meets the SAP, they are no longer on probation. In future terms, if a student fails the SAP, they may appeal to the Financial Aid Committee. There is no limit to the number of terms a student may be placed on probation, as the Financial Aid Committee is reviewing these appeals on a case-by-case basis.

Maximum Time Frame. The maximum amount of time allowed for a student to finish a degree.

Appeal. The process by which a student who is not meeting the SAP policy petitions for reconsideration of aid eligibility.

Program-Specific Conditions

Federal Direct Loan borrowers who drop to fewer than six credits will have their remaining loan canceled. They will need to reapply for the loan if funding for subsequent quarters is desired.

Recipients of the Washington State Financial Aid Program must complete 12 credits or the term’s attempted credits, whichever is less. If a student completes less than 50 percent of the attempted credits for one quarter or at least 50 percent but less than 100 percent of the attempted credits for two consecutive quarters, subsequent disbursements will be canceled until the student makes up the deficiency and again becomes eligible.

Alaska State Loan borrowers must complete at least 12 credit per quarter.

Reinstatement of Financial Aid Eligibility

A student’s financial aid eligibility may be reinstated by one or more of the following:

1. If the deficiency was caused by an incomplete, a student may make up the incomplete in the allowable time and request a re-evaluation of academic progress.
2. If the grade for a course is changed, a student may request a re-evaluation of academic progress.
3. The student may attend WWU without financial assistance. If the student is meeting the SAP policy at the end of the term, their financial aid eligibility will be reinstated for the next term.
4. The student may successfully complete course work at another institution. If the credits are transferable, they will be evaluated against the SAP policy and in some cases could help the student become eligible. The student must provide Academic Records with an official transcript.
5. The student may submit an appeal to the Financial Aid Committee. The SAP appeal form is found at: sfs.wallawalla.edu/forms/sap-appeal. The appeal must include an explanation of why the student failed to make satisfactory academic progress and what circumstances have changed that will allow the student to meet the SAP policy at the next evaluation. If it will take more than one quarter to be meeting the SAP policy, an Academic Plan for a minimum of three quarters, signed by the student’s advisor, is also required. Students graduating within the next three quarters should provide a copy of the approved senior outline. If the appeal is approved, the student will be put on Financial Aid Probation and aid will be reinstated. Subsequent quarters of aid eligibility are contingent upon the student meeting the SAP policy or successfully following the approved academic plan.

6. A student who has reached the maximum time frame for aid eligibility and needs additional time to complete a degree may submit an appeal to the Financial Aid Committee. The appeal should explain why the degree could not be completed within the allowable time frame. An academic plan, signed by the student’s advisor, should accompany the appeal and explain which credits are needed to finish the degree. The appeal should also be accompanied by an approved senior outline.

NOTE: Reinstatement of Financial Aid awards is based on available funding. Therefore, students may not receive their original financial aid awards.

Eligibility Requirements

Minimum Credit Requirements. Undergraduate students are required to complete 70 percent of their attempted credits on both a quarterly and cumulative basis. (Taking fewer than 12 credits in a given quarter changes a student’s enrollment status to “part-time” and will, in most cases, affect the student’s financial aid package.)

Maximum Time Frame for Aid Eligibility. A student is expected to complete a degree program within an acceptable amount of time. WWU awards financial aid for a maximum of 275 attempted credits to a student working on a four-year degree and a maximum of 137 attempted credits to a student working on a two-year degree. (The 275 hours and 137 hours include any transfer credits a student may have.)

Washington State aid programs are awarded a maximum of 125 percent of the academic program’s limit.

Quarterly Review. At the end of each quarter after grades are processed, the student’s progress is measured using a series of five tests. The student must pass all five each quarter to meet the SAP policy:

1. Maximum Units Test. Total credits attempted (WWU and transfer) cannot exceed 275.

2. Academic Standing Test. Current term GPA and cumulative GPA must meet the Academic Probation and Dismissal Policy monitored by the Associate Vice President for Academic Administration.

3. Current Earned Units Test. Term credits completed divided by term credits attempted must be at least 70 percent.

4. Cumulative Earned Units Test. Cumulative credits completed divided by cumulative credits attempted must be at least 70 percent.
5. Two-Year GPA Test. At the end of a student’s second academic year (six quarters) the student’s cumulative GPA must be 2.0 or higher.

Special Considerations

Transfer Students. The accepted transfer credits a student earns will count toward both attempted and completed credits. The GPA from transfer credit is not considered in terms of this policy.

High School Students With WWU Credits. The quarters during which the student was enrolled in WWU courses prior to high school graduation do not count toward the total number of credits for which the student may receive financial aid. Academic credits earned prior to high school graduation may not be used to make up an academic deficiency.

First-Time Aid Recipients. When a student first applies for financial aid, the student’s entire period of attendance—even periods during which the student may not have received financial aid—is evaluated in terms of the SAP policy. A student who has not maintained satisfactory academic progress will not be eligible for aid until the student makes up for the deficiency.

Students Pursuing A Second Bachelor’s Degree. Students enrolling for a second Bachelor’s degree with more than 275 transfer or WWU credits must submit an appeal to the Financial Aid Committee, with supporting documentation, requesting additional financial aid. (See “Reinstatement of Financial Aid Eligibility,” #5, for clarification.)

Dropping Courses. Financial aid awards are based on credits for which a student is registered on the 10th day of the quarter. Courses dropped before the 10th day of the quarter are not counted in the SAP review. (Dropping a course before the 10th day may affect the current financial aid award.)

Dropping a course after the 10th day does not affect financial aid for the current quarter, but may impact aid the subsequent quarter. SAP reviews are conducted at the end of each quarter, and any financial aid a student is awarded for future quarters is not valid until the student has passed the quarterly review.

Co-op/Experiential Courses. Student enrolled in off-campus programs for which credit does not apply toward a degree are regarded in terms of the policy as though they did not enroll.

Repeated Course. A repeated course is counted toward attempted credits each time the course is taken, but is counted toward completed credits only once it is passed.

Remedial Course. Any remedial course work designed to increase the student’s ability to pursue a program of study is counted in terms of attempted and completed credits.

Incompletes. An incomplete is counted toward attempted credits the quarter in which it was received. An incomplete/D- or higher is counted in completed credits for the quarter in which the student registers for the course.

In-progress Courses. An in-progress course is counted toward attempted and completed credits the quarter in which the student registers for it.

Audited Courses. Audited courses are not counted toward attempted or completed courses.
GRADUATE STUDENTS

Overview
Students must maintain satisfactory academic progress (SAP) toward degree completion to receive financial aid. The requirements are as follows:

1. Maintain the required minimum cumulative grade-point average (GPA) of 3.0. (See the "Academic Probation and Dismissal Policy" in the Graduate Bulletin.)

2. Complete 66.67 percent of the credits registered for on the 10th day of the quarter on both a quarterly and cumulative basis for the duration of studies.

3. Complete a degree program within a maximum time frame for which Walla Walla University (WWU) awards financial aid. (See “Maximum Time Frame for Aid Eligibility” section in this policy.)

This satisfactory academic progress requirement applies to a student’s entire period of attendance as a graduate student at WWU, including any periods during which the student receives no financial aid.

Academic progress is reviewed quarterly after grades are posted. At the end of each term, students who have not maintained satisfactory academic progress are notified by Student Financial Services and placed on Financial Aid Warning. If the student does not meet the policy the next quarter, the student becomes ineligible for financial aid.

Students who fail to maintain satisfactory academic progress may seek financial aid eligibility reinstatement. (See the “Reinstatement of Financial Aid Eligibility” section of this policy.)

Students are responsible for monitoring their own academic progress.

Definition of Terms Related to this Policy

Attempted Credits. The number of credits a student was enrolled for on the 10th day of the quarter. Financial aid is awarded based on these credits. (Incompletes, withdrawals, classes taken for no credit [s/nc] and failed classes are counted toward the total attempted credits. A repeated course is counted as an attempted credit each time the course is taken.)

Completed Credits. The number of credits successfully completed toward a degree. Only courses for which the student received a passing grade (C or better) are included. (Incompletes/C- and below, withdrawals, failed courses and audits are not counted as completed credits. A repeated course is counted only once.)

Financial Aid Warning. The status assigned to a student who fails to make satisfactory academic progress at the end of a quarter. The student may continue to receive financial aid for one more quarter without appealing.

Financial Aid Ineligible. Financial aid will be cancelled for a student who does not meet the SAP policy two quarters in a row.

Financial Aid Probation. The status assigned to a student who fails to make satisfactory academic progress and who has appealed and been approved to receive
GRADUATE STUDENTS

financial aid the following quarter enrolled. At the end of a probation quarter the student must be meeting the SAP policy or be successfully following an academic plan approved by the Financial Aid Committee.

Maximum Time Frame. The maximum amount of time allowed for a student to finish a degree.

Appeal. The process by which a student who is not meeting the SAP policy petitions for reconsideration of aid eligibility.

Special Considerations

Transfer Students. The accepted transfer credits a student earns prior to the time of acceptance will count toward both attempted and completed credits. The GPA from transfer credit is not considered in terms of this policy.

First-Time Aid Recipients. When a student first applies for financial aid, the student’s entire period of attendance—even periods during which the student may not have received financial aid—is evaluated in terms of the SAP policy. A student who has not maintained satisfactory academic progress will not be eligible for aid until the student makes up for the deficiency.

Dropping Courses. Financial aid awards are based on credits for which a student is registered on the 10th day of the quarter. Courses dropped before the 10th day of the quarter are not counted in the SAP review. (Dropping a course before the 10th day may affect the current financial aid award.)

Dropping a course after the 10th day does not affect financial aid for the current quarter, however it may impact aid the subsequent quarter. SAP reviews are conducted at the end of each quarter, and any financial aid a student is awarded for future quarters is not valid until the student has passed the quarterly review.

Co-op/Experiential Courses. Student enrolled in off-campus programs for which credit does not apply toward a degree are regarded in terms of the policy as though they did not enroll.

Repeated Course. A repeated course is counted toward attempted credits each time the course is taken, but is counted toward completed credits only once.

Incompletes. An incomplete is counted toward attempted credits the quarter in which it was received. An incomplete/C or higher is counted in completed credits for the quarter in which the student registers for the course.

In-progress Courses. An in-progress course is counted toward attempted and completed credits during the quarter in which the student registers for it.

Audited Courses. Audited courses are not counted toward attempted or completed courses.

Eligibility Requirements

Minimum Credit Requirements. Graduate students are required to complete 66.67 percent of their attempted credits on both a quarterly and cumulative basis.

A student involved in research, thesis or teaching-assistantship and taking fewer than four credit hours during the quarter may receive aid for reduced hours for a maximum of four quarters. A letter from the department chair must be submitted to Student Financial Services verifying the student is involved in one of the approved exceptions and confirming the student’s satisfactory academic progress.
A graduate student’s academic progress as an undergraduate prior to starting the graduate program is not considered in determining financial aid eligibility.

**Maximum Time Frame for Aid Eligibility.** Graduate programs have varying academic requirements. Therefore, a student’s academic progress will be evaluated in terms of the number of quarters expected to complete a given degree program.

Washington State aid programs are awarded a maximum of 125 percent of the academic program’s limit.

The maximum number of quarters for which a graduate student may receive financial aid is as follows:

<table>
<thead>
<tr>
<th>Degree Program</th>
<th>Maximum Quarters</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biological Sciences</td>
<td>8</td>

</tbody>
</table>

**Formula to calculate maximum quarters for graduate programs.** (Number of quarter hours required to complete the degree + 10%) ÷ 7 hours per quarter (minimum full time graduate load) = maximum number of quarters eligible for aid. This answer must be rounded down. Biology was increased by 1 quarter due to the structure of their program and two summers at Rosario.

**Minimum GPA for Aid Eligibility.** Graduate students are required to maintain a cumulative program GPA of at least 3.0.

**Quarterly Review.** At the end of each quarter after grades are processed, a student’s progress is measured using a series of four tests. The student must pass all four tests each quarter in order to meet the SAP policy.

1. **Maximum Attempted Terms Test.** The total number of terms enrolled must be less than the maximum for the program listed above.
2. **Minimum Cumulative GPA Test.** The student’s cumulative GPA must be at least 3.0.
3. **Current Earned Units Test.** Term credits completed divided by term credits attempted must be at least 66.67 percent.
4. **Cumulative Earned Units Test.** Cumulative credits completed divided by cumulative credits attempted must be at least 66.67 percent.

**Program-Specific Conditions**

Federal Direct Loan borrowers who drop to less than four credits will have their remaining loan canceled. They will need to reapply for the loan if funding for subsequent quarters is desired.
Recipients of Washington State Financial Aid Program must complete either 12 credits or the quarter's attempted credits, whichever is less. If a student completes less than 50 percent of the attempted credits for one quarter or at least 50 percent but less than 100 percent of the attempted credits for two consecutive quarters, subsequent disbursements will be canceled until the student makes up the deficiency and again becomes eligible.

Reinstatement of Financial Aid Eligibility

A student’s financial aid eligibility may be reinstated by one or more of the following:

1. If the deficiency was caused by an incomplete, a student may make up the incomplete in the allowable time and request a re-evaluation of academic progress.
2. If the grade for a course is changed, a student may request a re-evaluation of academic progress.
3. The student may attend WWU without financial assistance. If the student is meeting the SAP policy at the end of the term, their financial aid eligibility will be reinstated for the next term.
4. The student may submit an appeal to the Financial Aid Committee. The SAP appeal form is found at: sfs.wallawalla.edu/forms/sap-appeal. The appeal must include an explanation of why the student failed to make satisfactory academic progress and what circumstances have changed that will allow the student to meet the SAP policy at the next evaluation. If it will take more than one quarter to be meeting the SAP policy, an academic plan for a minimum of three quarters (or until graduation), signed by the student’s advisor, is also required. If the appeal is approved, the student will be put on Financial Aid Probation and aid will be reinstated. Subsequent quarters of aid eligibility are contingent upon the student meeting the SAP policy or successfully following the approved academic plan.
5. A student who has reached the maximum time frame for aid eligibility and needs additional time to complete a degree may submit an appeal to the Financial Aid Committee. The appeal should explain why the degree could not be completed within the allowable time frame. An academic plan, signed by the student’s advisor, should accompany the appeal and explain which credits are needed to finish the degree.

NOTE: Reinstatement of Financial Aid awards is based on available funding. Therefore, students may not receive their original financial aid awards.
REFUNDS

The following refunds are figured using the first day of class instruction as the first day of the quarter. For students who completely withdraw from school during the quarter, refunds are made 30 to 60 days after the student withdraws.

ESTABLISHING THE DATE OF THE STUDENT'S WITHDRAWAL FROM SCHOOL

To calculate a tuition refund or a financial aid refund or repayment, Student Financial Services establishes the student’s withdrawal date as follows:

1. If the student officially withdraws, the date of withdrawal is used.
2. If the student withdraws unofficially (drops out without properly notifying the school), the student’s last recorded date of class attendance is used. The student’s last recorded date of class attendance is determined, documented, and confirmed by the instructor, the vice president for student administration, or the Academic Records Office.
3. If the student is expelled, the date of expulsion is used.

The Academic Records Office provides Student Financial Services with lists of students who have dropped all classes or dropped to less than six credit hours.

UNDERGRADUATE TUITION REFUNDS

If a student withdraws from school after the fourth day of the quarter, the following tuition refund policy will apply:

<table>
<thead>
<tr>
<th>Withdrawal Period</th>
<th>Refund Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Withdrawal during first four days of the quarter</td>
<td>100% refund</td>
</tr>
<tr>
<td>Withdrawal during second week of the quarter</td>
<td>75% refund</td>
</tr>
<tr>
<td>Withdrawal during third or fourth weeks of the quarter</td>
<td>50% refund</td>
</tr>
<tr>
<td>Withdrawal after the fourth week of the quarter</td>
<td>no refund</td>
</tr>
</tbody>
</table>

1 Students dropping all classes during this period will be charged a processing fee of $75 or 5% of tuition, whichever is less.
2 Students adding or dropping classes after the first four days of the quarter will be charged a change-of-registration fee of $25 per change.

If a student drops a class and adds a class of the same number of credits on the same day, no tuition adjustment is made. This is called a "wash" and these classes are excluded from all calculations. However, if the student later drops the class that was added, this transaction is no longer considered a "wash" and may result in a tuition charge when the class is dropped. **Note:** dropping 2 two-credit classes and adding 1 four-credit class is not a "wash."

Tuition is calculated by taking the total credits enrolled (regardless of the date added, and excluding "washed" classes) at 100% of tuition (tuition is not discounted for joining a class late). Drops are processed against that number. Tuition adjustments for dropped classes are processed based on the date the change is received in the Academic Records Office.

Each time students change their class schedule, their tuition is completely recalculated, based on all of their classes for the term, not just the current adjustment to the class schedule. The new Total Tuition Charges is compared to the student's
previously charged tuition amounts, and a charge or credit is issued to their student account for the difference.

When dropped classes are processed, the refund percentage is applied against the difference of the two amounts: The tuition for the number of credits before the drop, and the tuition for the number of credits after processing the drop. Because of the way tuition adjustments are calculated, a student who started with 12-16 credit ("bracket" tuition) and ends with 12-16 credits may be charged additional tuition.

TUITION ADJUSTMENT EXAMPLES

Adding or dropping any classes after registration necessitates a tuition adjustment. That adjustment may be in the form of a charge or a refund or both, as shown in the following examples.

Example 1
A student registers for 16 credit hours and drops three during the first four days.

TUITION ADJUSTMENT
Because the tuition rate is the same for 12 to 16 credit hours—the “bracketed tuition rate”—there is no adjustment to the amount of tuition charged.

Example 2
A student registers for 13 credit hours and drops three during the first four days.

TUITION REFUND
There is a 100% tuition refund on the difference between the tuition charged for 10 credit hours and the bracketed tuition rate. The refund is calculated as follows:

\[
\begin{align*}
\text{Tuition charged for 12 to 16 credit hours (bracketed tuition)} & \quad $9,040 \\
\text{Tuition charged for 10 credit hours ($755 per credit hour)} & \quad -7,550 \\
\text{TOTAL TUITION REFUNDED} & \quad $1,490
\end{align*}
\]

Example 3
A student registers for 15 credit hours and drops all classes during the fourth week.

TUITION ADJUSTMENT
A 50% refund is due on the bracketed tuition and is calculated as follows:

\[
\begin{align*}
\text{Tuition charged for 12 to 16 credit hours (bracketed tuition)} & \quad $9,040 \\
\text{50% tuition refund for withdrawing during fourth week of classes} & \quad \times 0.5 \\
\text{TOTAL TUITION REFUNDED} & \quad $4,520
\end{align*}
\]

Because these changes were made after the fourth day of the quarter, a change-of-registration fee of $30 per change is also applied to the student's account.

Example 4
A student registers for 14 credit hours. On the 10th day of the quarter, the student drops a one credit class and a two credit class and adds a one credit class and a three credit class. The student is now registered for 15 credits.

TUITION ADJUSTMENT
The added one-hour class “washes” with the dropped one-hour class and no adjustment is made. Then the three-hour class is added and a tuition charge of $600 is calculated (going from 14 credits to 17 credits puts the student outside of
“bracket” tuition). Next, the two-hour drop is processed. The difference between
the tuition before and after the drop is $600. This is multiplied by 75 percent to
give a credit of $450. The difference between the $600 charge for adding the 3
credit class and the $450 refund for dropping the two-hour class results in a net
tuition charge of $150.

Tuition charged for 14 credits (bracketed tuition) $9,040
Tuition for 17 credits (going from 14 to 17) 9,640
Tuition charged for adding 3 credits 600
Tuition for 15 credits (going from 17 to 15) -9,040
Net difference for dropping class 600
75% refund for dropping during 2nd week x .75
Refund for dropping the two-credit 450 -450
NET TUITION CHARGED 150

Because these changes were made after the fourth day of the quarter, a change-of-
registration fee of $30 per change is also applied to the student’s account.

Example 5
A student registers for 10 credit hours, drops two credit hours on the sixth day of
classes, and adds three on the 10th day.

TUITION ADJUSTMENTS

Because the student did not make these changes on the same day, each change is
processed separately, and the dropped credit hours cannot cancel out any of the
added credit hours. Therefore, the student’s tuition must be adjusted as follows:

Tuition charged for 10 credit hours ($755 per credit hour) $7,550.00
Tuition refunded at 75% for 2 credit hours dropped during
second week of classes ($755 x 2 credit hours x 0.75) -1,132.50
TOTAL ADJUSTED TUITION CHARGED $6,417.50

When the student adds 3 credit on 10th day, the tuition is completely recalculated.
First, tuition is calculated for 13 credits $9,040 $9,040.00
Next, tuition for 11 credits is calculated (11 x $755) 8,305
The difference between 13 hours and 11 hours of tuition 735
The difference is multiplied by 0.75 X 0.75 -551.25
TOTAL TUITION CHARGE FOR THIS STUDENT $8,488.75

NET TUITION ADJUSTMENT FOR THIS TRANSACTION ($8,488.75 less $6,417.50 previous
charged) $2,071.25

Also, because these changes were made after the fourth day of the quarter, a change-
of-registration fee of $30 per change ($60 total) is applied to the student’s account.

Example 6
A student registers for 18 credit hours and drops 7 credit hours during the 50
percent period. After the last day to add a class, the student petitions to add 7 credit
hours. The petition is approved.
TUITION ADJUSTMENTS

The student did not make these changes during registration, in a single day, or within the same refund period. Therefore, the changes are processed separately, and the dropped credit hours cannot cancel out the added credit hours. The student will be refunded 50% for the classes dropped, and when the petition is approved, the tuition will be completely recalculated, with the added classes included before the drop is recalculated. The student’s tuition must be adjusted as follows:

Calculation of Original Tuition Charged:

Tuition charged for 12-16 credit hours (bracketed tuition) $9,040
Tuition charged for two credits in excess of 16 ($600 x 2) +1,200

TOTAL TUITION ORIGINALLY CHARGED $10,240.00

Calculation of Tuition Refunded for Dropping Seven Credit Hours:

Tuition for 18 credit hours 10,240
Less the tuition for 11 credit hours (11 x $755) -8,305
Tuition for 18 credits ($10,240) less the tuition for 11 credits 1,935
($8,305 [11 x $755]) x .50 x .50

NET TUITION ADJUSTMENT FOR THIS TRANSACTION $967.50

ADJUSTED TOTAL TUITION CHARGED $9,272.50

Calculation of Tuition Charged for Adding Seven Credit Hours:

Tuition is recalculated from the beginning.

Tuition charged for 12-16 credit hours (bracketed tuition) $9,040
Tuition charged for 9 credit in excess of 16 ($600 x 9) +5,400
Tuition for all 25 credits $14,440

Difference in tuition between 25 credits and 18 credits, at 50%
($14,440 - 10,240 = $4,200 x .50) -2,100

ADJUSTED TOTAL TUITION CHARGED $12,340.00

NET TUITION ADJUSTMENT FOR THIS TRANSACTION ($12,340 LESS $9,272.50 PREVIOUSLY CHARGED) +$3,067.50

Because these changes were made after the fourth day of the quarter, the student is charged a change-of-registration fee of $30 per change ($60 total).

GRADUATE REFUNDS

If a graduate student officially withdraws during the quarter, a refund, where applicable, will be made within 30 days. A graduate student who leaves school without completing withdrawal procedures will be charged until proper arrangements have been made. The beginning of the quarter is considered to be the first day of class instruction.

Graduate students withdrawing from classes during the quarter will qualify for the following rates of refund:

If withdrawal is: Tuition refund will be:
by the second Tuesday of classes* 100%
by the third Tuesday of classes 75%
by the fifth Tuesday of classes 50%

A tuition refund may affect awarded financial aid.
* Graduate students dropping all classes during this period will be charged a processing fee of $50 or 5% of tuition, whichever is less.

For withdrawal and refund schedule for summer classes see the WWU Summer Class Schedule. Please refer to the Financial Aid Refund Policy section of this bulletin for further details.

**RESIDENCE HALL ROOM RENT REFUNDS**

Refunds of room rent and single-occupancy charges are figured according to the following schedule:

- Withdrawal during the first week of quarter: 90% refund
- Withdrawal during the second week of quarter: 80% refund
- Withdrawal during the third week of quarter: 70% refund
- Withdrawal during the fourth week of quarter: 60% refund
- Withdrawal during the fifth week of quarter: 50% refund
- Withdrawal during the sixth week of quarter: 40% refund
- Withdrawal during the seventh week of quarter: 30% refund
- Withdrawal during the eighth week of quarter: 20% refund

**CAFETERIA CHARGE REFUNDS**

The refund of a student’s cafeteria meal plan charge is pro-rated according to the same schedule as room rent.

**UNIVERSITY RENTAL HOUSING REFUNDS**

Students are required to give at least 30 days notice when moving out of university rental housing. Students failing to give proper notice may forfeit up to 30 days rent. The rent refund is prorated, based on the later of the actual check out date and the end of the 30 days notice.

**GENERAL FEE REFUNDS**

For students who withdraw from school, the General Fee is refunded at the same rate as tuition.

**COURSE FEE REFUNDS**

Some course fees are not eligible for a refund after the fourth day of the quarter. For course fees eligible for a refund, the course fees are refunded at the same rate as tuition.

**MUSIC EDUCATION FEE REFUNDS**

Music education fees are refunded based on the number of lessons taken through the fifth week of the quarter, after which no refunds are granted.
FINANCIAL AID REFUNDS

Dropping a class during the quarter may impact a student’s financial aid for the current quarter and for subsequent quarters. For this reason, students are advised to talk with a Student Financial Services counselor before dropping any classes. (See the Satisfactory Academic Progress Policy for Financial Aid Recipients and the Financial Aid Refund and Repayment Policy in this bulletin for more information.)

For information on financial aid refunds due in the event of a student’s complete withdrawal from school, refer to the Financial Aid Refund and Repayment Policy in this bulletin.
FINANCIAL AID REFUND POLICY

If a student receiving financial aid withdraws from school on or after the first day of the quarter, Student Financial Services is required to calculate the amount of financial aid the student was eligible for but did not earn. That amount must be returned to its original source(s). Such refunds are calculated and coordinated on the basis of this policy. The student’s withdrawal date and other individual circumstances are factored into the refund calculation.

This policy is fair and equitable, reflects the standards of Walla Walla University’s accrediting agency (the Northwest Association of Schools and Colleges), and complies with the requirements of federal and state law.

PROCEDURE FOR WITHDRAWING FROM SCHOOL

Students withdrawing from all classes must submit an official University Withdrawal Form to the Academic Records Office.

Students withdrawing from individual courses must submit a Change of Registration Voucher to the Academic Records Office. That form is to be signed by the course instructor and the student’s adviser.

Each quarter’s final date for dropping a course is listed in the Academic Calendar, which appears on page 6 of this bulletin.

FEDERAL FINANCIAL AID REFUNDS

Student Financial Services calculates federal financial aid refunds according to the Federal Financial Aid Refund Policy. These policies appear in the Federal Student Aid Handbook on file at Student Financial Services. Copies of the policy are available online.

Determining the Student’s Withdrawal Date

To calculate a financial aid refund, Student Financial Services establishes a student’s withdrawal date as indicated in the Refunds section of this bulletin. If a student did not begin the withdrawal process or otherwise notify WWU of the intent to withdraw due to illness, accident, grievous personal loss, or other circumstances beyond the student’s control, the university will stipulate the withdrawal date.

Determining the Percentage of the Quarter Completed

To determine what percentage of the quarter was completed as of the student’s withdrawal date, Student Financial Services divides the number of calendar days completed by the total number of calendar days in the quarter.

If the result is 60% or less, the student is considered to have withdrawn on or before the 60% point in the quarter. Conversely, a result in excess of 60% indicates the student withdrew after the 60% point.

Determining the Amount of Financial Aid Earned

Student Financial Services must determine how much of a student’s financial aid award for the quarter was used, or “earned,” before the student withdrew.

If the student withdraws on or before the 60% point, the student’s financial aid award is prorated. The percentage of the quarter the student completed is used as
the percentage of financial aid the student is said to have earned. (The remaining percentage is considered “unearned” and must be refunded.) To convert the percentage earned into the amount earned, the percentage of aid earned is multiplied by the total amount of aid available for disbursement that quarter.

A student who withdraws after the 60% point is considered to have earned 100% of the financial aid award, and no refund is due.

Disposition of Difference Between Amount Earned and Amount Received

If the amount of financial aid earned is greater than the amount the student received, Student Financial Services must comply with the procedures for late disbursement specified by Department of Education regulations. If the amount of financial aid earned is less than the amount the student received, Walla Walla University, the student, or both must return the unearned aid.

Student Financial Services must return the lesser of:

- The amount of federal aid the student did not earn, or
- The amount of costs (room rent, cafeteria charges, etc.) the student incurred during the quarter multiplied by the percentage that was not earned

The student (or parent in the case of a Federal PLUS loan) must return to federal loan programs any unearned loan funds (funds the student drew off the account), in accordance with the terms of the loan. The student must also return unearned grant funds. However, the student is not required to refund 50% of the grant funds received.

The overpayment is the difference between the amount of cash disbursements the student received and the amount of non-institutional expenses the student incurred during the portion of the payment period for which the student was actually enrolled. (Wages—including those earned through the Work-Study Program—and Federal Direct and PLUS Loan program funds are not counted as cash disbursements.)

Walla Walla University may recover overpayments by charging them to the student’s account, leaving no outstanding overpayments on federal aid, or report overpayments to the federal processor.

Refund Disbursement Schedule

Funds are to be credited to outstanding loan balances in the following order:

1. Federal Direct Unsubsidized Loan
2. Federal Direct Loan
3. Federal Perkins Loan
4. Federal PLUS Loan
5. Federal Pell Grant
6. Federal Supplemental Educational Opportunity Grant (FSEOG)
7. Other federal, state, private, or institutional sources of aid

The financial aid refund disbursed must not exceed the amount of financial aid the student received from that source.

Work-Study programs are not due refunds.
Deadlines for Distributing Financial Aid Refunds
Federal regulations require Walla Walla University to process refunds within 30 days of the student’s withdrawal date.

STATE FINANCIAL AID REFUNDS
Washington State aid recipients who withdraw from the institution, are expelled, or otherwise complete zero credits in any given term must repay state grants and College Bound Scholarships on a prorated basis. For the purposes of this policy, "Award" is the amount of Washington State aid for which the student was eligible during the enrollment period, after the school made any required adjustments for need and enrollment level. All monies, whether disbursed to the student account or directly to the student, shall be included in the repayment calculation. (State Need Grant (WAC 250.20.051(4))

Known Last Date of Attendance
If a student's last date of attendance can be verified and is prior to or on 50% of the term, the state grant repayment will be based on the percent of the term not completed. If the last date of attendance occurs after 50% of the term, the state grant award is considered 100% earned and no state grant repayment is due.

State grant repayment formula: Known last date of attendance, prior to or on 50% of the term:
1. The percent of state grant earned is calculated by dividing days in attendance by calendar days in term. Scheduled breaks of five or more days should be excluded from the calculation.
2. Subtract the percent of state grant earned from 100%; this equals the percent of unearned state grant.
3. Multiply the percent of unearned state grant by the grant amount.
4. Multiply the amount from step 3 by 50% to determine the state grant repayment due.

Example: Known last date of attendance, prior to or on 50% of the term:
A student is awarded $400 for a state grant and completed 20% of the term prior to withdrawal. The state grant repayment is calculated as follows:
1. The unearned percentage equals 80% (100% less 20% completed).
2. Unearned aid equals $320 (80% of $400 state grant award).
3. The repayment equals $160 ($320 X 50% reduction).

Unknown Last Date of Attendance
If a student attends a portion of a term and withdraws with no verified last date of attendance, the state grant repayment will be 50% of the grant amount with no additional adjustments.

No-Show Repayments
If a state grant recipient never attends courses in the term for which they received a state grant award, the state grant repayment is 100% of the award. If a school is unable to distinguish between a no-show and an unofficial withdrawal, the no-show policy shall apply.
General Repayment Policies

1. Repayments are based on the state grant award amount, including enrollment, and packaging adjustments.
2. Verified withdrawal dates after 50% of the term equate to 100% earned state grant.
3. Unofficial withdrawals/no known last date of attendance equate to repayment of 50% of the state grant award.
4. No Shows are 0% earned and equate to repayment of 100% of the state grant.
5. Official withdrawals or verified last date of attendance repayment calculation:
6. State grant award amount multiplied by the percent of unearned state grant multiplied by the 50% reduction equals the state grant repayment due.
7. The 50% reduction applied at the end of the repayment computation addresses un-reimbursable start up education costs and reduces the barrier for the students intending to return to school.
8. Repayment of less than $50 should not be referred to the Council.
9. Institution repayment refund policy:

Private institutions should return state grant repayments directly to the Council and collect from the students.

INSTITUTIONAL FINANCIAL AID REFUNDS

Students who have a balance owing will not have their Walla Walla University aid reversed. However, students who have a credit balance will have their institutional aid reversed, up to the amount of their credit balance, using the federal aid refund policy as a guide.
FINANCIAL INFORMATION FOR INTERNATIONAL STUDENTS

DECLARATION OF FINANCES

To determine ability to meet educational costs, Walla Walla University requires applicants who are not citizens or permanent residents of the United States to submit a declaration of finances before final acceptance is given. Students are asked to submit 12 months of bank documentation from family/sponsors indicating ability to pay for duration of academic program. This information must be reviewed and approved before final acceptance can be given and the I-20 form, needed to secure the United States Student Visa, can be issued.

INTERNATIONAL STUDENT DEPOSIT

Students who are not citizens or permanent residents of the United States or Canada are required to pay an International Student Deposit before final acceptance can be given and the I-20 form, needed to secure the United States Student Visa, can be issued. The deposit is $3,000 for students who first enroll by Fall 2018. This deposit is held as long as the student remains enrolled and will be refunded at the end of the student's studies at WWU, less any outstanding balance owed to WWU. Interest is paid on the deposit, using the One-Year Constant Maturity Rate.

INSURANCE

Walla Walla University requires all international undergraduate and graduate students, including Canadians, to have health insurance that will cover them while they are enrolled at WWU. If students require assistance in finding a health insurance plan to meet their needs, please see wallawalla.edu/insurance or contact the University Clinic at 509/527-2425 for assistance.

BILLING

International students (except Canadian students) will be expected to use the Regular Payment Plan described in this bulletin, which requires payment of all estimated expenses for the next quarter, plus any balance remaining from a prior quarter, before financial clearance is given. The payment deadline is the Wednesday prior to the start of classes each quarter.

Students have many payment options to pay online (wallawalla.edu/payment):

- Credit cards (American Express®, Discover®, MasterCard®, Visa®) have a 1.75% processing fee.
- Electronic checks and debit cards do not have a fee.
- International students can also make payment by wire transfer. Call the Accounting Office at 509/527-2312 for wiring instructions, or email cashier@wallawalla.edu.

EMPLOYMENT

According to Immigration and Naturalization Services regulations, international students attending WWU while on student visas are only permitted to work on
campus and are limited to a maximum of 20 hours of work per week during periods of enrollment. Spouses and children who are not students may not accept employment under any circumstances.

FINANCIAL AID

International students on student visas do not qualify for the majority of loans and grants described in this bulletin. These students are eligible to receive scholarships, such as Achievement, Out of Area, Leadership, National Merit, General Studies Honors, Transfer Scholarship, Continuing Student Scholarship, Church Match Grant, if they qualify. Canadian students can find information about other resources at wallawalla.edu/canada-aid.
FINANCIAL INFORMATION FOR SUMMER SCHOOL STUDENTS

For information on the summer school program and on tuition, fees, and expenses special to summer school students, see the WWU Summer Class Schedule.
APPEALS PROCESS

A student whose situation has extenuating circumstances which the student believes warrant consideration for an exception to published policy may submit an appeal to the following:

Director of Student Financial Services
Financial Aid Appeals Committee
COMPLAINT PROCESS

Walla Walla University seeks to resolve all student concerns in a timely and effective manner. To that end, Walla Walla University maintains a list of contact information and resources available to current and prospective students for the resolving of complaints on our website at: wallawalla.edu/complaint. Links are provided to the appropriate Walla Walla website for more information on contacts at the university.
