PBS Engineering and Environmental, Inc., (PBS) is a regionally distinguished and growing engineering and environmental consulting firm in Washington and Oregon. Founded in 1982, our 240-plus person firm has a history of successfully serving major clients throughout the Pacific Northwest.

As a leader in providing consulting engineering services in the Northwest, we are currently seeking a qualified individual for the following open internship position in our Walla Walla, Washington office:

**CIVIL ENGINEERING INTERN**

Interns in this position function as a design team member in a civil engineering field, such as site development, residential development, traffic engineering, and transportation engineering. In this role, our Civil Engineering Intern will perform civil engineering design work in a team environment working with other engineers, project managers, and PBS staff within other service disciplines.

**Job Responsibilities/Duties:**

- Assist with civil engineering design tasks associated with municipal public works projects and private development projects;
- Participate in site reconnaissance and field surveying tasks;
- Maintain active communication with project managers;
- Other duties as may be assigned.

**Minimum Qualifications:**

- Pursuing a bachelor’s degree in Civil Engineering or a related field
- Flexibility and creativity in project approaches, and openness to learn and develop
- Excellent verbal and written communication skills
- Willingness to work in fast-paced, collaborative team environment across multiple disciplines and project types
- Experience with AutoCAD/Civil 3D software is desired

PBS has offices across the Northwest. We are committed to fostering a work environment that is conducive to the personal and professional growth of each employee. This is accomplished through a company philosophy that combines teamwork, open communication and diverse projects. Many of our projects involve several consultants and contractors, requiring a collaborative team effort. We pride ourselves on our project management approach and experience.

PBS offers mileage-based reimbursement for the use of personal vehicles. For positions requiring transportation, use of a personal vehicle may be required.

PBS is an Equal Opportunity Employer (EEO).
