On Dec. 7, 2017, Walla Walla University will celebrate 125 years since classes began in 1892. This calls for a party, and we have several planned throughout 2017 leading up to the official December birthday party. Events will include a special “Celebration” homecoming weekend April 27-30. (See page 2 for details.) Watch for a full schedule of events in the Spring 2017 issue of Westwind. Here’s a pre-birthday warm-up quiz to test your WWU historical knowledge.

Visit wallawalla.edu/homecoming for crossword puzzle answers.

ACROSS
