A Message of Appreciation

Today’s concert was made possible by the collaborative efforts of many people, and we want to thank each one of you who played a part in the festival’s success, including those of you who came to listen to the students this afternoon.

We want to thank all of the student participants for their preparation before the festival and their dedication during rehearsals over the past four days. We have enjoyed working with them, and we hope very much that they will join us again for future performances on our campus. We are also very grateful to the students’ music teachers and directors for their dedication throughout the year and the extra guidance they provided to prepare their students for this festival. We thank all of the parents and sponsors also who continually provide support and are committed to their students’ success.

On the campus of Walla Walla University, many people helped with the planning and implementation of the festival in addition to our colleagues in the Department of Music, and we are very grateful to them. This festival would not be possible without their assistance. Several WWU staff and students put in many extra hours. We thank them for their dedication, organizational skills, and good humor. We are also grateful to the string, wind, brass, and percussion players who joined us for the concert.

Thank you for joining us this afternoon as we praise God with music and celebrate the joy of performing together. May you enjoy the blessings of this experience well beyond today’s concert.

Cristian Neacsu, Chair
Department of Music
